The next WPCC Cruise In will be held at the southern O'Reilly Auto Parts on Friday November 12th. The Cruise Ins on November 26th will be at Steak and Shake. We will meet on the right side of the parking lot as you enter from the main entrance at 5:00 P.M. See you there.

You only get one chance to get in on the sports car swing. While you're young at heart. Because before you know it something happens and you've settled for some hum-drum automobile. And you eat your heart out over what you've missed.

But that doesn't have to happen. Because today there's one genuine British sports job you can easily afford—the Austin-Healey Sprite. It's the lowest-priced authentic sports car in America.

And by authentic we mean the SCCA Class G champ in 2 divisions.

At the wheel of a Sprite you learn what an adventure driving was meant to be. When to let out and when not to let out the competition-proved 1098 cc engine. And the why of all the instruments—especially the tach. And how quick steering, tough suspension and superior design can keep you safely in the groove. (For added safety, the Sprite has self-adjusting disc brakes as standard equipment that deliver straight-line stops, stop after stop.)

But there's more to the Sprite than just feats of derring-do. There's foam padded bucket seats for two (three's a crowd). There's an easy-up, easy-down top for all-weather driving. And a 30-mile-per-gallon economy that saves your hard-earned money for better things.

Best of all: you don't have to hock everything you own to afford a Sprite. Less than 2 grand buys one at your nearest MG/Austin-Healey dealer. If you're sixteen or sixty and you've always wanted a sports car, now's your chance. Don't blow it.

FOR OVERSEAS DELIVERY AND OTHER INFORMATION, WRITE: THE BRITISH MOTOR CORP., HAMBRO, INC., DEPT. V-49, 734 GRAND AVE., RIDGEFIELD, N.J.
