Veterans Day – November 11, 2021

In the USA, Veterans Day annually falls on November 11. This day is the anniversary of the signing of the armistice, which ended the World War I hostilities between the Allied nations and Germany in 1918. Veterans are thanked for their services to the United States on Veterans Day.

Is Veterans Day a Public Holiday?

Veterans Day is a public holiday in 48 states and 1 federal district, where it is a day off for the general population, and schools and most businesses are closed.

Veterans Day honors those who served the United States in all wars, especially veterans.

Observance

Veterans Day is intended to honor and thank all military personnel who served the United States in all wars, particularly living veterans. It is marked by parades and church services and in many places the American flag is hung at half-mast. A period of silence lasting two minutes may be held at 11am. Some schools are closed on Veterans Day, while others do not close, but choose to mark the occasion with special assemblies or other activities.

Veterans Day is officially observed on November 11. However, if it falls on a week day, many communities hold their celebrations on the weekend closest to this date. This is to enable more people to attend and participate in the events. Federal Government offices are closed on November 11. If Veterans Day falls on a Saturday, they are closed on Friday November 10. If Veterans Day falls on a Sunday, they are closed on Monday November 12. State and local governments, schools and non-governmental businesses are not required to close and may decide to remain open or closed. Public transit systems may follow a regular or holiday schedule.

History

On the 11th hour of the 11th day of the 11th month of 1918 an armistice between Germany and the Allied nations came into effect. On November 11, 1919, Armistice Day was commemorated for the first time. In 1919, President Wilson proclaimed the day should be "filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory". There were plans for parades, public meetings and a brief suspension of business activities at 11am.

In 1926, the United States Congress officially recognized the end of World War I and declared that the anniversary of the armistice should be commemorated with prayer and thanksgiving. The Congress also requested that the president should "issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies of friendly relations with all other peoples."

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) was approved on May 13, 1938, which made November 11 in each year a legal holiday, known as Armistice Day. This day was originally intended to honor veterans of World War I. A few years later, World War II required the largest mobilization of service men in the history of the United States and the American forces fought in Korea. In 1954, the veterans service organizations urged Congress to change the word "Armistice" to "Veterans". Congress approved this change and on June 1, 1954, November 11 became a day to honor all American veterans, where ever and whenever they had served.

In 1968 the Uniforms Holiday Bill (Public Law 90-363 (82 Stat. 250)) made an attempt to move Veterans Day to the fourth Monday of October. The bill took effect in 1971. However, this caused a lot of confusion as many states disagreed with this decision and continued to hold Veterans Day activities on November 11. In 1975, President Gerald R. Ford signed Public Law 94-97 (89 Stat. 479), which stated that Veterans Day would again be observed on November 11 from 1978 onwards. Veterans Day is still observed on November 11.

Springhouse Village Retirement Complex Cruise – October 23, 2021

Member attendees	
Fortner, Larry & Helen	Owen, Jess & Melinda
Jennings, Mike & JJ	Mahaffey, Charles & Diana
Jennings, Pat & Dana	Partlo, Dennis & Mary

From Melina's travelogue:

The first few days were filled with rain. After that the skies cleared and the weather was beautiful the rest of the week. There were 9498 cars registered for the event with several thousand more in the area to observe the festivities. This was the largest attendance on the 25th anniversary of the event.

Members attended different events each day depending on individual interests. The one event attended by all members was the cruise- in held in Ocean Springs on Thursday. This is a favorite event for several reasons. The town is beautiful with numerous live oak trees and a picturesque downtown where the cruise- in is held. In addition, there are many wonderful clothing shops for the ladies. On top of that the restaurants are numerous and all good. The group wakes at 3 a.m. to depart for the cruise at 4:30 a.m. This helps ensure a prime parking spot when the event opens for parking at 7 a.m.

In addition to the various cruise in events members also attended the swap meet held in the Coliseum. There are hundreds of vendors with everything from jewelry to carburetor's and everything in between.

Overall, the event was a success with members already planning for next year.

And Finally, From Norma

You are holding a cup of coffee when someone comes along and bumps into you, making you spill your coffee everywhere. Why did you spill the coffee? You spilled the coffee because there was coffee in your cup. Had there been tea in the cup, you would have spilled tea. The point is whatever is inside the cup, is what will spill out. Therefore, when life comes along and shakes you (which will happen), whatever is inside you will come out. It's easy to fake it, until you get rattled. So, we have to ask ourselves, "What's in my cup?" When life gets tough, what spills out? Joy, gratefulness, peace and humility? Or does anger, bitterness, harsh words and reactions come out? You choose! Today let's work towards filling our cups with gratitude, forgiveness, joy, words of affirmation, kindness, gentleness and love for others.

NORMA'S

Thoughts & Prayers

Always keep our great country and our military in your prayers.

The Lord is gracious and merciful; slow to anger and abounding in steadfast love.

Psalm 145:8

Veterans Day on November 11, honors those who served the United States in all wars, especially veterans.

NEW YEARS EVE PARTY

New Years Eve is traditionally a time for parties and festivities, and 1980 was no exception, especially in the vicinity of Chestnut Expressway and Glenstone at Jack's Car Clean-up Shop. About 200 people showed up for the Classic Chevy Club of Springfield's New Years Eve Party, and I think every one of them had a real good time.

7 Jack Rinker, owner of the clean-up shop, donated the use of his shop for the party, and early that afternoon found Jack, along with Gene Wright, Bud Janes, John Thomas, Dave Marek, Jack Rinker Jr, Betty Rinker, and a few members of the Sho-Me Van Club helping put all the clean-up equipment out of the way and decorating the building. They also iced down the beer kegs and sat up the tables and chairs.

Starting about eight p.m. people started showing up and by nine the music was going strong and the place was getting full. By ten everyone was dancing and visiting and generally having a good time. About eleven several members of the Van Club had a surprise for everyone, the "Miss Jack's Car Clean-up of 1981" beauty contest.

David Bogner, manager of the Chestnut Expressway Stinger's Auto Parts Store, Bill Barlow, owner and manager of the Pizza Planet, and Richard "Fuzzy" Wilkinson, salesman for Advance Plating, left the building for a few minutes and returned as "Debbie Doobie", "Vertical Valerie", and "Sugar Ray Kathy" respectively. They played the parts complete with wigs and make-up and some of the most outrageous dresses you have ever seen.

Jack Rinker Jr., acted as the Master of Ceremonies for the contest, complete with a current event question for each contestant. The audience then acted as judges and "Vertical Valerie", better known as Bill Barlow, will reign as the car clean-up queen of 1981.

The party was a huge success by all standards and those of you who missed it really missed a great time. If just a few more couples had shown up we would have even made some money. As it was, the entire party, including the disc jockey who played the music, only cost the club about \$22, a small price for such a good time.

IMPORTANT NOTICE

Anyone who is planning to order any parts from the National Club in the near future please take note of this announcement from the CCCI and our local club president, Avery Bradley.

In a Christmas letter to all 100% participating local chapters, Mike Compton announced that the club was extending an additional 5% discount to these clubs, for a total of 10% discount to us on all club parts. The only stipulation is that it has to be paid for with one check and all be shipped to the same address.

Jack Rinker has already agreed to have everything sent to his clean-up shop, so that solves that part of the problem.

To take care of the other part, anyone who has anything they want to order from the National Club can make out an order just like they were sending it directly to the club, then bring it to the local club meeting on January 25th, along with cash or a check to pay for it, including the freight (no discount on the freight) made out to the "Classic Chevy Club of Springfield". The money will be put in the club treasury and one check will be made out to pay for everything. Remember, if you have anything you want to order and want to take advantage of this discount, you must bring your order and your money to the club meeting because the offer expires on January 31st.

NEW JUDGING SHEETS

As most of you know, the National Classic Chevy Club has made some changes in the judging rules in the last year. Not only have some of the classes been changed, but a lot of the judging criteria and the judging sheets have changed greatly. These rules were used for the first time at the National Convention in Cherry Hill, and since very few of us had the opportunity to attend, Avery Bradley has made his judging sheet available to us so that we can see some of these changes first hand. A copy of the sheet is shown on the facing page.

WILMA WRIGHT'S PUNCH

There were several inquiries about the recipe for the fruit punch that Wilma Wright made for the Club Christmas Dinner, so we decided to put it in the newsletter so everyone could have a copy of it;

1 package unsweetened Kool-Aid (Wilma uses Strawberry)
1 cup sugar
1 two-liter bottle of 7up
1 can pineapple juice
1 can Hawaiian Punch
 $\frac{1}{2}$ gallon Orange Sherbet

Mix the Kool-Aid, sugar, 7up, pineapple juice, and Hawaiian Punch together in a large punch bowl. Then, just before time to serve the punch, you add the Orange Sherbet to the mixture, then add about the same amount of water as it calls for on the package of Kool-Aid and serve.

Anyone who tasted the punch at the Christmas Dinner will tell you that this recipe makes a very good punch.

ST. JOSEPH FUN RUN

The dates for the annual Memorial Day Weekend Fun Run in St. Joseph, Mo., for 1981 are May 23d and 24th. The run will be held at the Durrly Inn (not misspelled according to their letter), on Fredrick Blvd., which I think is a different motel than usual.

Shirley Close has the letter which she will bring to the club meeting, so anyone with questions can bring them up at the meeting.

FUN RUN COMMITTEE MEETING

The first meeting of the committee to organize the fun run scheduled for here on the 4th of July weekend

was held on January 8th at Jan and Wendell Royster's house. After some shopping around we decided to hold the run at the Drury Lodge. They seemed the most anxious to have us and offered the best deal. They also have an excellent place for Show-and-shine and good facilities for protecting our cars.

Each member of the committee was given a part of the preparations to take care of. Other than that only basic problems were discussed. More details will be given at the monthly meeting.

Anyone with any ideas for the run or any questions can direct them to the committee chairman, Wendell Royster or to any of the committee members, including; Dave Marek, Jack Rinker, Dennis Martin, Gene Wright, Jerry Prier, Derald St. John, or Bud Janes. As time for the event gets closer, meetings with the entire club will be held similar to the ones held last spring for our convention.

Our thoughts and good wishes go out to Debbie Wrinkle and the rest of the Wrinkle family in Aurora. Debbie had major surgery on Tuesday, January 6th, and the word from Kerry on the 7th was that she was doing very well, and that the surgery was not quite as extensive as planned, but still serious.

Plans were for her to come home on the 12th, and since no one has heard differently, we guess and hope that she is doing nicely. So we'll just say "take it easy and get well quick Debbie."
