REGIONAL & BOARD MEETINGS-JANUARY 21

The January Regional and Board Meetings will be held at McDonalds on East Battlefield at 7:00. Both of these meetings are open to all club members so if you want to express your opinion or ideas or just come to find out what is going on please feel free to come.

MEETING-JANUARY 27

The January Meeting will be held at the Olde Towne Flea Market on Boonville at 4:00 and remember to bring your chairs.

"PREZ SEZ"

Well '79 is over. And I must say the Classic Chevy Club can look back and smile. As we show many areas and other types of clubs we have got one great little club in Springfield...with just plain great cars and enough members to do anything.

Now that your smiling, get ready cause '80 is here. Yes and it's 25 years for the 1955. So that means an anniversary year and one that is going to be great.

We voted to have a regional and to handle it ourself so let's make it as no other regional or run has been.

Classic Chevy Car Club Archives

Page 2

Please remember when things are voted on or a committee sets a plan in motion we must stay with it and support it. We can't each run to our own corner because if we do we will find a big hole in the middle where the regional and club is supposed to be.

Let's get in there as a club and work side by side to see this regional is a success. The only way we can do this is as a club, so let's have everyone do their fair share.

Thanks a lot,

Wendell

CCA POINTS

WHAT HAPPENED?

Our first turn in date for our CCA Points was January 8, and very few members turned anything in. This money is going to help us with the regional. We need all we can get, if we want the regional to be a success and we need all the help we can get also. I understand some of you live out of town and can't come in every other week. So would everyone please bring your points to the regional meeting January 21, EVERY LITTLE BIT HELPS! Let's get in and work so this will be a success and I want to thank everyone for their help.

Wendell

If anyone has any big ticket items from Wards, Plaza Shoes or any other sponsor we need them so we can turn them in during this turn in or they will not count. In February every club starts on more of an equal basis so if everyone would help just a little we would have a good chance of getting some money. Two weeks to collect is not very long, that's why we ask for you to help.

Shirley

Security-----	Tony Miller

• Well here is the list of committies along with the heads of each committee.

Classic Chevy Car Club Archives

Page 2

Everyone should be on at least one...if not two committies. Many will require no work (or little) until the Regional and then will last only a short time. Study the list over and try to decide what committies you want to be on. You will be helping the club have the best Regional and should find some fun in the event itself. On behalf of all the committee heads and Karl look at this with honor and enthusiasm, for it will say something of our club and the National Club to allow us to hold this event. If you look down the list of clubs you will find much larger cities, but size and number will not make a club... PEOPLE DO!!!!

Wendell

Let me remind you in the past we have made a run to the Red Barn in March, if you want to go again this year be ready to vote at the February meeting.

This months feature member is Bud Janes, who is also sometimes called the "Mortician" by his fellow club members, and at other times called many other things by the same members which we cannot print!

Bud joined our club about October of 1978.

He is single, lives in Springfield, and has worked at Zenith for the past 13 years. Of course, Bud's main hobby is messing around with cars, especially Classic Chevy's of which he owns three.

He has a '55 two door Sedan he has owned since his high school days which he is presently fixing up for a daily driver. Another project is a '55 two door Hardtop formerly owned by Tom Miller, who used to be in our club.

Last summer Bud bought a black '55 Sedan Delivery that had been freshly restored and looks very sharp. The car had been formerly owned by Dale Bussard, who is a paperhanger here in Springfield. Mr. Bussard used this car for a workhorse for many years, and if anybody had seen it before it was restored compared to how it looks now you would be amazed that it is the same automobile.

Anyhow, getting back to Bud, he is a welcome addition to our club because if you feel like insulting somebody, throw it at Bud, he's getting used to it!

CCA POINTS

Our next turn in is February 19th so bring your items to the Regional meeting. If you can't attend please send your items with someone you know is going. The first turn in for March is the 4th so bring your items to the meeting or drop them off at Jeanie's, Sharlet's or my house no later than the 2nd.

Shirley

Classic Chevy Car Club Archives

Page 3

With the CCA Points we had a much better turn in the last time, we came in third with \$30.00, but still don't have the total members of the club. This is easy money for the club, you don't have to do anything except save the register tickets, milk caps and pop caps and turn them in every two weeks.

Our club is in the medium class due to the number of members we have and you might say we are playing a game with the other clubs but if not even half of them work its not very fair to our club or those members who do turn in items. I'm well aware that 100% of a club usually doesn't happen but I'll push for it every time!!!

Wendell

IT'S A BOY

Brandon Kirk Sears decided to make his grand appearance during the worst snow of the year. He was born February 9th weighing in at 8 lbs. 8 ozs. and 21 inches long. On behalf of the club I would like to say CONGRATULATIONS Pat and Dorcas.

FOR SALE

Black center console from '70-71 Camaro with factory 3 speed automatic saddle shifter and shifter cable. \$20.00

Bob Goss - 869-5208

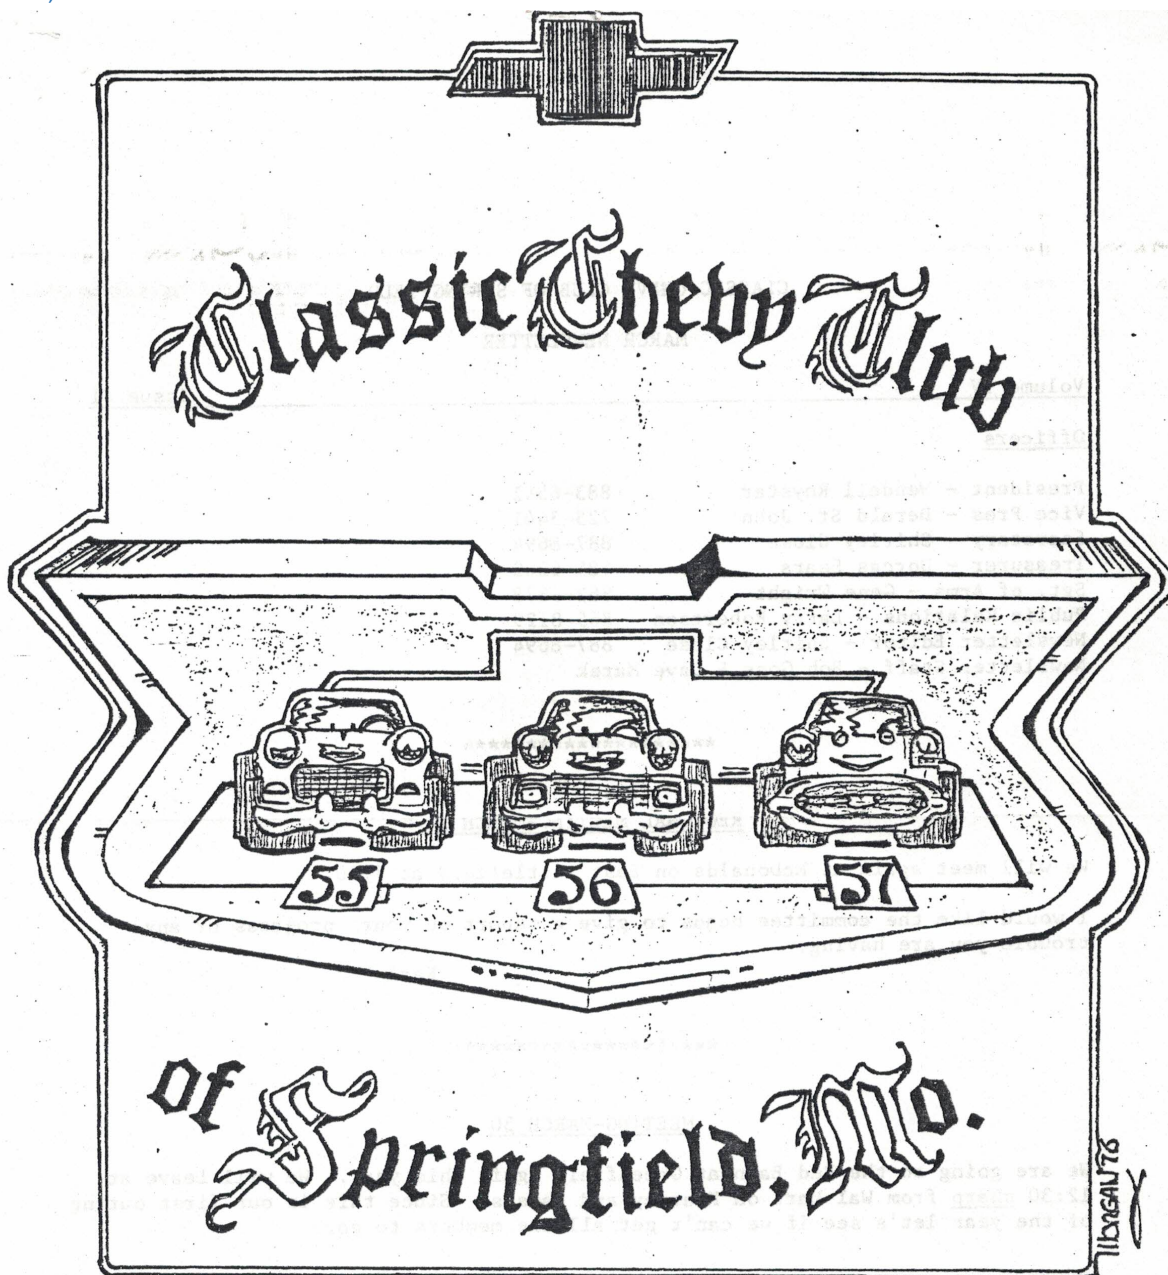

If any of our members has seen or knows any information on the following car please contact Charles Dooley, Bolivar at 326-4271. This car was stolen February 3rd (Sunday) on Highway 13 North of Springfield.

1956 two-door Hardtop, turquoise and white, rolled pleated seats and no door panels, 6 cyl. automatic. Vehicle #C550047568.

REGIONAL MEETING-MARCH 24

We will meet again at McDonalds on East Battlefield at 7:00.

I would like the committee heads to give a report on your progress or any trouble you are having.

Karl

MEETING-MARCH 30

We are going to the Red Barn at Greenfield again this year. We will leave at 12:30 sharp from Wal-Mart on Kearney and Kansas. Since this is our first outing of the year let's see if we can't get all the members to go.

MEETING OUR MEMBERS

Bill and Tanya Hager and their two children, ages four and one are recent additions to our club. They joined in August of last year.

Bill is a mechanic for the Mo. State Highway Dept. and his wife works for the Ozarks Area Community Action Corp.

Bill and Tanya own a very nice looking '55 Delray two door Sedan, which Bill is

Classic Chevy Car Club Archives

Page 2

trying to improve all the time. Since buying the car in Strafford, Mo. 3 years ago it has been painted yellow, a set of Crager wheels added, and a new interior installed. The drivetrain consists of a '61 model 283 hooked to a T-ten four speed transmission. The car has approximately 170,000 miles on it but its age doesn't show.

Although Bill has owned many classic Chevy's over the past several years he has never kept one long enough to finish it, but he says this one will be finished.

Well Bill, we wish you good luck on your project and hope you stick with it till its done. One thing is for sure, you've got a very good start on it!

CCA POINTS

In case you haven't heard we took 2nd place this time earning the club \$40.00. We have only 2 turn ins left, March 18th and April 1st. If you have any thing to turn in please do so by this Sunday to Sharlet, Jeannie, Jan or me. We are going to need all the help we can get this time, remember even 1 milk cap or Coke cap or 1 receipt will be a big help. If for some reason you can't get your items to us for this turn in please bring them to the meeting at the Red Barn, this will be the last turn in and we will need to turn in everything you have. Let's see if we can't make the last turn in the biggest one yet.

FOR SALE

1974 Buick Regal, 49,000 miles, one owner, \$1,750.00. Contact Claude Roderique, 887-9647.

PARTS WANTED

PITTSBURG, KANSAS 66762

4th Annual Car, Truck, and Cycle Show

The Pittsburg State University student chapter of Society of Automotive Engineers invites you to participate in the 4th Annual Auto Show. The show will take place on April 20, 1980 on the Pittsburg State University campus, at the corner of Broadway and Cleveland, from 12:00 p.m. to 5:00 p.m.

The classes are categorized in the following way:

1) Pickup, 4-wheel drive vehicles, and vans. 2) Antiques (original) 3) Classic (slight modifications) 4) Street Rods 5) Cycles 6) Competition.

Trophies will be awarded to the top 3 places in each class, and all pre-registered entrants will receive great looking dash plaques.

Final registration and set-up will start at 10:30 a.m. the day of the show. Entry fee will be \$2.00 in advance and \$3.00 the day of the show. In case of bad weather, the show will be on April 27, 1980. Please send your check or cash and the entry form below to:

SAE Car Show
c/o Tony Ridder
1501 South Joplin - Room 165
Pittsburg, KS 66762

If you are planning to enter a vehicle in the 4th Annual SAE Car Show, please send \$2.00 and indicate the class you wish to enter.
