### National POW/MIA Recognition Day, September 17, 2021

The United States' National POW/MIA Recognition Day is observed across the nation on the third Friday of September each year. Many Americans take the time to remember those who were prisoners of war (POW) and those who are missing in action (MIA), as well as their families.

#### Is National POW/MIA Recognition Day a Public Holiday?

National POW/MIA Recognition Day is not a public holiday. Businesses have normal opening hours.

National League of Families' POW/MIA flag is displayed with the United States flag.

#### What Do People Do?

Many Americans across the United States pause to remember the sacrifices and service of those who were prisoners of war (POW), as well as those who are missing in action (MIA), and their families. All military installations fly the National League of Families' POW/MIA flag, which

symbolizes the nation's remembrance of those who were imprisoned while serving in conflicts and those who remain missing.

Veteran rallies take place in many states, such as Wisconsin, in the United States on National POW/MIA Recognition Day. United States flags and POW/MIA flags are flown on this day and joint prayers are made for POWs and those missing in action. National POW/MIA Recognition Day posters are also displayed at college or university campuses and public buildings to promote the day. Remembrance ceremonies and other events to observe the day are also held in places such as the Pentagon, war memorials and museums.

#### Public Life

National POW/MIA Recognition Day is not a federal public holiday in the United States but it is a national observance.

#### Background

There are 1,741 American personnel listed by the Defense Department's POW/MIA Office as missing and unaccounted for from the Vietnam War, as of April 2009. The number of United States personnel accounted for since the end of the Vietnam War in 1975 is 841. About 90 percent of the 1,741 people still missing were lost in Vietnam or areas of Laos and Cambodia under Vietnam's wartime control, according to the National League of Families website (cited in the United States Army website).

The United States Congress passed a resolution authorizing National POW/MIA Recognition Day to be observed on July 18, 1979. It was observed on the same date in 1980 and was held on July 17 in 1981 and 1982. It was then observed on April 9 in 1983 and July 20 in 1984. The event was observed on July 19 in 1985, and then from 1986 onwards the date moved to the third Friday of September. The United States president each year proclaims National POW/MIA Recognition Day. Many states in the USA also proclaim POW/MIA Recognition Day together with the national effort.

#### Symbols

The National League of Families' POW/MIA flag symbolizes the United States' resolve to never forget POWs or those who served their country in conflicts and are still missing. Newt Heisley designed the flag. The flag's design features a silhouette of a young man, which is based on Mr. Heisley's son, who was medically discharged from the military. As Mr. Heisley looked at his returning son's gaunt features, he imagined what life was for those behind barbed wire fences on foreign shores. He then sketched the profile of his son as the new flag's design was created in his mind.

The flag features a white disk bearing in black silhouette a man's bust, a watch tower with a guard on patrol, and a strand of barbed wire. White letters "POW" and "MIA", with a white five-pointed star in between, are typed above the disk. Below the disk is a black and white wreath above the motto "You Are Not Forgotten" written in white, capital letters.

The flag can also be displayed on Armed Forces Day, Memorial Day, Flag Day, Independence Day and Veterans Day. The flag can be displayed at the Capitol, the White House, the Korean War Veterans Memorial and the Vietnam Veterans Memorial, national cemeteries, various government buildings, and major military installations.

### **Marco's Pizza Cruise In – September 18, 2021**

Car show at [Marco's Pizza in Nixa](#) starts at 3:00 pm on September 18.

### **Alice & Irene's Restaurant, Marionville Cruise – August 7, 2021**

Saturday was truly a nice day. The club gathered at Marco's Pizza in Nixa. We then traveled the back roads to Alice & Irene's Restaurant in Marionville for lunch. Before lunch, the classic cars made a quick tour of Marionville. We were looking for white squirrels. There are only five cities in North America that have white squirrels: Marionville, Olney, IL; Kenton, TN; Brevard, NC; Exeter, ON

For many on the West Coast of North America the existence of a white squirrel is difficult to imagine, but it is not as uncommon as you may think! Populations of white squirrels can be found in places across the United States and sightings of these mystical creatures are becoming more common.

The white squirrels we see in North America are the result of various rare genetic variants or mutations. However, in Thailand and other parts of East Asia there is a sub-species of tree squirrel, the Finlayson's squirrel, in which a white coat is characteristic of the species. White coats may be common place amongst this group, but broadly speaking it is still a very rare squirrel color. There are over 200 species of squirrels and only one subspecies is found to have white as a primary color morph!

There are two primary forms of white squirrels in the United States- albino squirrels and a rare morph of the eastern grey squirrel.

The easiest way to know if the white squirrel you spotted is albino or a rare morph is by its eye color. Albino squirrels are completely white with red or pink eyes. This unique eye color is found in all albino animals and is a result of a lack of melanin pigments that produce eye and coat color. Albinism is a genetic condition caused by a recessive gene. This means that both the mom and dad squirrel have to be carriers of this gene in order to produce albino offspring. This is what makes it so rare! It is estimated that 20-30% of white squirrels in North America are albino.

### Marco's Pizza Cruise-In – August 21, 2021

Great day for the cruise-in. About 26 cars in all. Just a slight breeze from the northwest. Many members of the club walked among the classics, talked to friends, or remained sequestered under the tents.

*Another Opportunity to Print Club Logo on your Shirt*

From an email sent by Melinda Owen

Hello All,

I have had additional interest in getting the club logo applied to shirts you already own. The cost of the printing is approximately \$6.00 per item plus a \$10.00 set up fee per order which will be divided by the number of people who participate in the order.

If you would like to get your personal shirts printed with the club logo, bring the laundered items to the next club meeting. If you will not be able to attend the meeting let me know and I can probably arrange to meet you somewhere and pick them up. You can also bring them to the monthly club dinner at Jose Loco's tomorrow night. I will not be there but you can leave them with Helen & Larry Fortner.

Also, just a reminder that we have all sizes in stock of the maroon club polo shirts. They will be available for purchase at the next club meeting. The cost is \$20.00.

#### BANQUET & ELECTIONS-SEPTEMBER 6 & 7

It is time once again for our club banquet and elections. Beginning this year the elections and banquet will be held the first weekend in September. The banquet will be at Barneby & Flanagan's on Sunshine and Glenstone. If you intend to show your car have it there at 6:00, judging will begin at 6:30 and we will eat at 7:00. The cost is \$15.00 a couple or \$7.50 single. Please pay for the banquet at the August 24 meeting or mail it to Dorcas Sears no later than August 29. We still need someone to provide music, if you have a turntable or tape deck that you could bring contact Wendell.

The elections will be held on September 7th at Phelps Grove Park beginning at 4:00.

#### "PREZ SET"

August is here, in fact almost gone!!! For me the year has been a fast one, but when one is busy time does fly by. I really feel the

club has come a long way over this last year. We have gained new members almost every meeting it seems, well almost and have had visitors nearly every time. After holding an outstanding regional I hope it proves to everyone that there is really nothing we can't do if we all get in and work at it.

Again this year we made outstanding showing's in the different runs we made. St. Louis is the only real club that beats us out on members per run and only by 2 or 3 so how about a few more people going to these different runs next year. I am sure you will enjoy yourself if you went with the idea of having a good time, seeing some nice machines, learning a little and sharing a little. I think you'll come home pleased even if there isn't any gold with you. The joy will overcome any trophy (and that is really what it is all about).

There are some things I didn't get to see finished this year, some I had in mind from the beginning others came up through the year. I will pass them on, maybe they will be accepted later if there value is accepted within the club.

1. I haven't been able to locate a winter meeting place. I had hoped to lease a place for October through February meetings.
2. Do mostly to the turn out of members lately I feel and would like the club to discuss and merit these next ideas to shorten the business part of our meetings (two or more hours is a bit long!!!)

A member must bear in mind there are 40 to 60 people at most meetings and if everyone is having a private little conference its very hard and time consuming to handle business while stopping to repeat and revote because of all the bull that is going on. Let's hold the bull before or after the meetings. For this reason I feel we should have board meetings before the membership meetings but these will only help if the board has some power to handle the details of business matters. For this I have a few ideas:

- a. Have activity chairman with two or three assistance. The assistance could hold another office, but with our membership I can't see why there wouldn't be enough people.
- b. After the club has voted on an event (dance, meeting places, banquet, dinners, etc.) the chairman and assistance would handle the details and from time to time ask for help where needed.

I think this would cut down a lot of time.

I would like to Thank You all for a Great year!

Wendell
