Answer on Page 3

Purple Heart Day is August 7

Purple Heart Day is an observance that commemorates the creation of the Purple Heart Medal in 1782.

Is Purple Heart Day a Public Holiday?

Purple Heart Day is not a public holiday. Businesses have normal opening hours.

The purple heart medal is awarded to those who were wounded or killed while serving the US military. Thank soldiers for their service today.

The holiday also encourages people to pay their respects to fallen soldiers, to listen to the stories of soldiers and veterans, and to thank them for their service to the nation.

From the Revolutionary War to WW I

The Purple Heart was first created on August 7, 1782 by the commander-in-chief of the Continental Army, General George Washington. Then known as the Badge of Military Merit, it was awarded to 3 Revolutionary soldiers in 1783.

After the end of the American War of Independence, no medals were awarded until 1932, when the medal was revived on the bicentennial anniversary of George Washington's birth. According to a circular dated February 22, 1932, Purple Heart Medals were to be awarded to those wounded or killed while serving in the United States Armed Forces as a result of enemy action on or after April 5, 1917. The United States officially joined the First World War on April 6, 1917.

1.8 Million Awarded

At current estimates about 1.8 million Purple Hearts have been awarded since then.

Today, in addition to being awarded to those who fight wars overseas, the Purple Heart is also given to military personnel who display bravery and valor as prisoners of war and while fighting certain types of domestic terrorists.

A Symbol of Bravery

The Purple Heart is a heart shaped purple medal with a gold border. The front has a profile of George Washington, while the back has the words for military merit inscribed on it. The medal is attached to a piece of purple silk with a silver border.

Public Life

The observance is also called the National Purple Heart Day, Purple Heart Appreciation Day, and Purple Heart Recognition Day.

Purple Heart Day is an unofficial observance. This means that businesses, government offices and public transport do not close on this day.

Veteran and military organizations hold remembrance meetings for fallen heroes and special events to thank soldiers, veterans, and Purple Heart recipients on this day. Many people fly the American flags at their homes and businesses as a way to show their solidarity with the troops.

The Purple Heart Foundation, the fundraising arm of the Military Order of the Purple Heart, recommends donating time and money to the foundation or to other organizations working with Purple Heart recipients and their families on this day. They also encourage people to listen to soldiers and veterans and learn more about their life stories and their military service.

=====

National Senior Citizen Day is August 21

National Senior Citizens Day recognizes contributions senior citizens make in communities across the United States. It is annually observed on August 21.

Is Senior Citizens Day a Public Holiday?

Although Senior Citizens Day is not a public holiday, businesses and schools may be closed because it falls on the same date as Hawaii Statehood Day in 2020, which is a public holiday in Hawaii.

UN International Day for Older Persons

Senior citizens in the USA are recognized for their achievements on Senior Citizens Day.

What Do People Do?

Various events and activities are organized on Senior Citizens Day to raise awareness of supporting older people and recognizing their achievements. Some people raise awareness through social media and news stories, while others organize special community gatherings inviting senior citizens, their families, friends and volunteers. Some

businesses give special discounts or deals to senior citizens on or around August 21.

Public Life

National Senior Citizens Day is an observance and not a public holiday in the US.

Background

Some people celebrate Senior Citizens Day on August 14 as it was the day past US president Franklin Roosevelt signed the Social Security Act in 1935. However, in 1988 Ronald Reagan, who was the US president at the time, declared August 21 to be National Senior Citizens Day.

This observance was established in honor of senior citizens in the US who made positive contributions in their communities. The day was also created to bring awareness of social, health, and economic issues that affect senior citizens.

Editor Note: Gene Herndon sent me some pictures of old filling stations. Here is this month's installment.

NSRA Street Rod Nationals – October 16-18, 2020

July 17 email from Walt Kruger:

The NSRA Oklahoma City event was held July 10th 11th & 12th.

The Mid America NSRA Event will be held on October, 16th, 17th & 18th this year if all goes as planned.

Other events are rescheduled and some still canceled as time goes. It's been a challenge for our team to keep the programs open due to this horrible pandemic. The concerns are safety and health. I'm looking forward to October and finally getting together.

I will get back with any information that I find out. Most of us car owners are seniors and are at high risk of this COVID-19.

Please all be safe and be careful out there.

Thanks,
Walt

Club Cruise to Bennett Spring State Park

Event is scheduled for August 8. We are waiting for response from Rocking Chair restaurant before this becomes a scheduled club event.

Larry has planned a cruise to Bennett Springs State Park. The basic details are below. I have attached a flyer with more information below and the flyer is included in the photo gallery, too.

Date: August 8
Time: 9:30 a.m.
Where: Meet in the parking lot of Furniture Row
1314 N. Eastgate Avenue, Springfield

This is a rain or shine event. If the weather does not cooperate, we can take our daily drivers. After leaving Bennett Springs we will continue on to the Rocking Chair restaurant in Conway for lunch. 91 octane no ethanol gas is available near the restaurant at Hannah's #1 Conoco.

The lunch will be more like a cafeteria serving style, where restaurant waitstaff will serve the food behind a sneeze guard. Seconds will be available.

If you haven't signed up for the trip and want to participate, please let Melinda know by August 1. She can be contacted at any of the following:

Call or text: 417-773-4520

Bennett Springs State Park Cruise August 8th, 2020

Summer is the perfect time to head out for a cruise in our classics. This year we will be heading to Bennett Springs State Park.

We will be leaving from the parking lot of Furniture Row which is located at 1314 N. Eastgate Avenue at 9:30 a.m. Furniture Row is located at the junction of U.S. 65 and Division St. We will group in front of the Denver Mattress Company. Please be there no later than 9:20 a.m.

The drive to Bennett Springs on back roads will take approximately 1 ½ hours. We will make a short pit stop in Marshfield before continuing on to Bennett Springs. After a short stop to enjoy the scenery and visit the facilities at Bennett Spring we will head out for the Rocking Chair Restaurant in Conway. They will be expecting us at 12:30 p.m.

The Rocking Chair Restaurant is well known for their fried chicken and catfish, both of which will be available on the buffet. The buffet is \$10.49 per person or you can order off the menu.

After lunch we will caravan back to Springfield.

Club Meeting and Dinner Out Night

The Library Center will not be open for gatherings until September. In the interim the club held its first meeting of 2020 on Monday, June 22, at Jose' Loco's at 5:00 pm. Our plans are to assemble there on August 24, too.

Plans beyond August are tentative at best.

Note: Entry to Jose' Loco's will be through the back door on the South side of the building where there is outside seating.

Club Picnic – Republic Recreation Center

WHAT: Classic Chevy Club Annual Picnic
WHEN: July 11, 2020 - Noon
WHERE: Republic Parks & Recreation Pavilion
711 E. Miller Road, Republic, MO 65738

In honor of our 45th anniversary, the club treated the membership by supplying fried chicken, bottled water, plates, napkins and utensils and a celebration cake and cupcakes. The members brought dishes to share.

It was hot but not unpleasant as most did not venture far from the shade of the pavilion. There was a ring toss game. It looked easier than it turned out to be. Melinda engaged the members in 1975 trivia. Editor Note: I couldn't remember movies or music from 1975 and it is still true for 2020 films and songs. At least, I am **consistent**.

It appeared that everyone ate well, socialized (at a distance, of course, and had a great time. Many thanks to the organizers (Owen's, please stand up and take a bow) and others that helped put the event together.

Participants included Charles & Diana Mahaffey, Jim & Donna Meyer, Jess & Melinda Owen, Larry & Helen Fortner, Nile & Carol Jones, Dan & Mary Kuhn, Johnny & Bev Cox, Brent Forgey & Maryanne, Dennis & Mary Partlo, Tom & Barb Trosper, and Yvonna Davis & Dave Walters.

New Members Welcomed

The membership welcomes Brent Forgey to the Classic Chevy Club. Brent has been a friend of the club since the days we used to cruise in to Cruisin' USA. Brent works for the Nixa Police Department. Paula & Randy Davenport have joined the club in July. They live in Nixa.

College of the Ozarks Marketing Photo Shoot

The College of the Ozarks reached out to the Classic Chevy Club to be involved in a marketing photo shoot for the school. They were looking for two classics as props in a full photo shoot and corresponding videos. Larry &

Helen Fortner's 1957 Chevy 210 and Yvonna's Davis' 1957 Chevy convertible were showcased. Jess & Melinda Owen were there for support.

The school had hired a professional photographer and several models (two adults and three children).

The models sat in the cars while several students in wait staff whites walked

out of the Keeter Center to the cars with College of the Ozarks togo sacks and trays of food.

All in all, we had a good time. Many photos follow in the gallery.

We will send a link to the website page once the shoot is finalized and published.

Dadeville Independence Day Parade

Dadeville is a community of 232 and is located in Dade County.

There have been two Dade County towns called Dadeville: an earlier Dadeville was founded in the 1840s and went extinct after the county seat was established at Greenfield. The current site of Dadeville was first called Melville. A post office called Melville opened in 1853, and the name was changed to Dadeville in 1858. The village is named after Dade County.

The town has an annual July 4 parade. This year they mentioned on Facebook that the parade would have classic cars as part of the festivities. So, some club couples decided to participate. The weather forecast for that day and time really looked bad and we all didn't want to chance storms and hail with our classics.

Yvonna had taught school in Dadeville and wanted to see the village and maybe run into former teachers and students. So, we decided to go in the daily driver. It turned out to be a good decision. We encountered no rain at all and saw many of her friends.

The parade was a vintage small-town affair with fire engines, tractors, kids on decorated bikes, local political figures, four classic cars, and trucks. See the pictures in the photo gallery.

Fall Foliage October 30-31, 2020

From the desk of Melinda Owen:

As most of you know our club will be hosting the Fall Foliage Tour held in conjunction with clubs from Kansas, Arkansas, Oklahoma and Texas. Attached is the information flyer as well as the registration sign-up sheet. The reason I wanted to get this information out now is to ask for your help in acquiring goody bag items and/or door prizes.

I am not asking for anyone to make cold calls on businesses (unless that is your thing-ha!) but if you have a personal contact with a business or frequent someplace where you know the owners well please approach them for a goody bag item or door prize. Attached you will find a list of the items I have already obtained as well as a few places that have declined my request. (Note: Those of you who attended the cruise, this flyer has been updated with new information.) We would like to obtain a couple of gift cards for \$50-\$100 each to use for door prizes.

Feel free to share the flyer with anyone you approach to help them understand the Fall Foliage Tour. We are expecting 80-100 people.

A flyer is attached below that outlines the venues and events in more detail. A sign-up sheet was circulated at the club meeting on June 22 to indicate if you were going to attend. Another sheet was passed around to sign-up as a worker (AKA volunteer). The sign-up sheets will be circulated again at the July 27 meeting.

Elks' Lodge 409 Benefits Car Show

The Elks' Lodge 409 Car, Truck, Bike, and Trike show turned out to be a good event. The show started out by being well planned and then ended by being well executed. Over 60 vehicles were entered, so there were plenty of automobiles to view. The lodge had door prize drawings every half hour. The 50/50 raffle created a pot of \$208.00 for a lucky winner. There was a grill master that supplied hot dogs and hamburgers along with cold drinks.

The Classic Chevy Club was represented by Harold Richart (1963 Red Chevy Impala), Chuck Veith (1979 Chevy Red C-10, Yvonna Davis (1957 Chevy Convertible Black), and Dave Walters (1955 Chevy Belair HT Red/White). Jess Tomlin stopped by to say hello in his 1957 Chevy HT White.

Club members Harold Richart and Yvonna Davis won door prizes. Classic Chevy Club members, also, brought home the trophies. Harold Richart won 2nd Place in All Other Cars 1951-1972 Class, Chuck Veith won 2nd Place in Truck 1971-1981 Class, and Dave Walters won 1st Place in All Other Cars 1951-1972 Class.

All in all, the day was hot but substantially cooler in the shade. The vehicles were shiny, the prizes were nice, the food was good, and everyone had a good time.

4 State Outcasts Truck Show

After the Elk's Benefits show on Bennett, Chuck Veith headed down I44 to Sarcoxie to be part of the 4 State Outcasts Truck event. This was truck only event.

Chuck reported that the show was great and he took home a second place in his class. Not bad, two trophies in one day.

Cruise-In at Marco's Pizza – August 18

The July 18 cruise-in was cancelled. The August cruise-in is scheduled for the 15th. Unless this happens:

53rd Annual Swap Meet – Ozark Empire Fairgrounds

If you want to sell or buy, this is your place to be! You will find project cars to show cars and everything between, new or used auto parts for Model T's to current era vehicles, shop tools, maintenance supplies, automobilia and more. The outside swap spaces are designated for vendors offering at least 80% automotive items. Outside and car corral spaces have sold out quickly in recent years and we expect to sell out the indoor spaces for the first time this year. The Swap Meet grounds cover 77 acres plus an off-site parking lot monitored during the day and locked at night for large trucks and trailers.

Meet runs from August 21 to August 23 at the Ozark Empire Fairgrounds. The swap meet is an outside event only.

Location: Leave from Marco's in Nixa

We will depart from Marco's Pizza parking lot at 10 a.m. on August 22nd. Cruising the back roads to Cape Fair with a restroom pit stop in Galena will get us to the Flat Creek Restaurant between 11:00 and 11:15. It is approximately 37 miles to the restaurant.

Most of you have probably eaten at one of the Flat Creek restaurants but if you haven't you are in for a treat. They are well known for their broasted chicken, catfish, fried pies and large portions.

After lunch we will head back to Marco's via back roads with the total round trip approximately 75 miles.

Classic Chevy Club Nationals

How does a person begin to describe in writing all the beautiful 55-56-57 Chevys that converged on Tulsa, Oklahoma the week of July 19th? If you appreciate these cars at all, all I can say is, you should have been there! There were Chevys from mild to wild including 100% bone stock original, to far out, modified, chrome plated, twelve second street machines and all in between. If its possible to fall in love with a car I guess thats what happened to me when I walked by a certain gold '55 Chevy two door that featured a complete chromed Corvette independent rear suspension, chromed front suspension, hand rubbed undercarriage (which matched the color of the car), custom interior, small block Chevy engine with much chrome topped off with fuel injection. Now that is a car!

The first day of the Nationals was scheduled for the swap meet and registratin. Everyone that drove or trailered their Classic was assigned a numbered parking spot for the entire week to save confusion. After registratin the President and officers gave the welcome speech and tuned everyone in as to what would happen and when, with the first item on the agenda being the big swap meet. At one o'clock everyone began selling and buying parts like little old ladies at a hat sale; money was flowing freely as there were bunches and bunches of beautiful parts for sale. Some were priced reasonable and others were in the "if you have to ask you can't afford it" price range.

I know of one '57 grille bar that sold for \$150.00 because the guy that sold it was right next to me.

The swap meet continued till 6 P.M. that evening and around 8 P.M. we saw promotional films on the 55 - 56 Chevys including Pills Peak Hill climb which was won in 1956 by Chevrolet. After the films were over, the officers held a meeting with all the prospective judges for the show and shine contest on Tuesday. Vernon Leppert, Larry Clark and myself were all three judges and speaking for myself, it was quite an experience judging those cars. Tuesday evening we were promised a full length feature motion picture in the banquet hall but the officers wouldn't tell anyone what the film was going to be. They just promised us it would be good and we wouldn't want to miss it. They weren't lying because it turned out to be "American Graffiti"! What other film would fit the occasion so well?

Tuesday afternoon marked the day for the "Streetkane" event which was held at one of the local schools parking lot. A course was laid out with pylons and hay bales and the object of course was to drive the course as quickly as possible without knocking over any pylons or moving any hay bales. It sounds easy but it wasn't. Take my word for it because I tried it three times without much success but it was a lotta fun. There was good participation in this event as there was in all the events during the convention. Even one of the patrolmen for the Tulsa Police Dept. gave the streetkane a go in his squad car with lights and siren blazing! He would have had a good elapsed time too until he got screwed up and ran off the course. He was a good sport though to give it a try.

Wednesday afternoon was the club picnic held at Chandler Park in Tulsa and Wednesday nite was drag race nite at Tulsa International Speedway. Most everyone looked forward to this event and the participation was fantastic. The drags were open only to 55-56 and 57 Chevys of the National club with close to a hundred cars taking it down the strip. You've probably heard the saying, "Old Chevys don't die, they just go faster." Well, that's the way it was that night as there were several street driven 13 second Chevys and even a few 12 second wheelstanders. Some guys just took it easy down the strip and others let it all hang out in banzi fashion. I guess I was some where in between those catagories as I came off the line easy and then dropped the hammer. I guess I'm no threat to Don Garlits but I enjoyed it just as much as he does!

Thursday was set aside for the technical/business meeting and Thursday nite was the banquet and trophy presentation. Pam and I had to leave that day so I don't know who the winners were yet but it will all be released in the national club magazine next month. Those people in attendance at the convention from our club were, Vernon and Sharlett Leppert, Larry and Cindy Clark, Bobby and Pam Goss, Joe McCracken, Randy Allison and Kenny Hurley. I would like to say a few words about the National club if I may. I have been a member for almost a year and a half and I think it is a well organized, worthwhile club to be in that is growing everyday by leaps and bounds, with a membership of around 3500 in just its second year of existence. If you are not in this club, I think you're missing out on a valuable piece of literature as they put out a fine color magazine every month loaded with parts sources, cars, technical advice, and many other pieces of information regarding 55-56-57 Chevys. It is a club that's dedicated to preserving the

best three years of Chevys ever made and to help obtain new parts from General Motors so that we can do just that. If you're really in to '55-'56 and '57 Chevys and you're not a member yet of the national club, think about it. Or ask anyone in our club who is in the national club and I'm sure they will tell you it's a pretty good deal.

The Meeting

Sunday, August 1, 1976, a meeting was held at Phelps Grove Park for the purpose of electing officers for our next year. The voting was held with closed ballots and the meeting was opened by President Tom Miller and closed by the new President Joe McCracken. The elections went along pretty smooth and the results are printed on the first page of this newsletter. I hope everyone will rally around our new officers and give them your support. They can't do it alone and the more participation and help they get the better things will be for all of us as a club. There seems to be a general lack of interest on the part of about 75% of this club. It seems that when volunteers are called for to help out on a project there are a lot of people who would rather just "let somebody else do it." Well, "somebody else" can't do it all, and when 25% of the membership does 100% of the work load while the other 75% set on their can and reap the benefits, something is wrong. A club such as this is supposed to be something that is fun and enjoyed by all members but when a small portion of the membership has to work so hard that it isn't fun anymore and just a big hassle, that's when the club starts going downhill. If everybody will participate and do their share then everyone can enjoy the club. It was decided at the August 1st meeting to postpone the bake sale and car wash which had been scheduled for Saturday August 14th until sometime after the upcoming M.D. car show on the 29th.

Mini golf and go-kart nite

Tuesday August 3, marked the date for the miniature golf and go-kart night at the mini-golf course on East Division street with a good turn out from the club to see how good (or bad) they were at putting what used to be called a golf ball in the hole but which has been renamed by several of the members as "that dirty @%*&!! little round @/!!*&!!/2 ball". We never did determine just who had the best or the worst score and even if we did determine who had the worst score we would be hesitant to say because we would like to live a little longer. All we can say is that Jack Nicklaus has nothing to worry about right now. Joe McCracken was having a rough time convincing Nancy that he had beat her by one point because Nancy thought that the higher the number your score was the better the game you had. Sorry Nancy, it just isn't that way! After mastering the 18th hole everyone decided to give it a whirl on the go-kart track. Unfortunately there were only seven go-karts so everyone couldn't go at one time, so seven of the guys rode first. You would have thought they were racing in the Indy 500 as the competition was fierce among six of the karts with Earl Morgan riding what appeared to be the dud of the bunch because just about everyone lapped him at least twice. But after switching karts on his next ride and getting the same results in speed we decided that when you're as big as Earl is, those little go karts just don't have the horses to push you around very fast, right Earl?
