

### Editor's Notes

This month, Snoopy has a bold observation for 2021.

Stay safe

Now back to the regularly scheduled newsletter.

### Cars3 Cast

Our last Cars3 cast questionnaire was in the June newsletter. In the future, look for "Lexophile Funnys". Lexophile describes those that have a love for words, such as "you can tune a piano, but you can't tuna fish", or "To write with a broken pencil is pointless."

### Parents Day, July 25, 2021

Parental figures in the United States receive the recognition for the role they play in their children's lives on Parents'

Day. The day aims to promote responsible parenting and to recognize positive parental role models. It celebrates the special bonds of love between parental figures and their children.

### Is Parents' Day a Public Holiday?

Parents' Day is not a public holiday. It falls on Sunday, July 25, 2021 and most businesses follow regular Sunday opening hours in the United States.

### What Do People Do?

Parents' Day is celebrated on the fourth Sunday of July each year. Citizens, organizations, and federal, state, and local governmental and legislative entities are encouraged to recognize Parents' Day through proclamations, activities, and educational efforts to recognize, uplift and support the role of parents in bringing up their children.

The Parents' Day Council plays an active role in celebrating and promoting Parents' Day through a range of events and activities. For example, the council honors "Parents of the Year" at local, state and national levels. Those who have been nominated or selected are people who exemplify the standard and ideal of positive parenthood. Exemplary parents from each state are nominated for "National Parents of the Year".

Parents' Day is a popular time for people to send cards and gifts, including flowers, cakes and food baskets, to those who play an important role as a positive parental figure in their lives. It is also a time for families to come together for lunches or dinners. Special tributes to parental figures who are seen as role models are made through local announcements, at church services, or at local community events. Parents' Day proclamations and rallies have been held in recent times and involved organizations such as the United Civil Rights Councils of America.

### Public Life

Parents' Day is a national observance but it is not a public holiday in the United States.

### Background

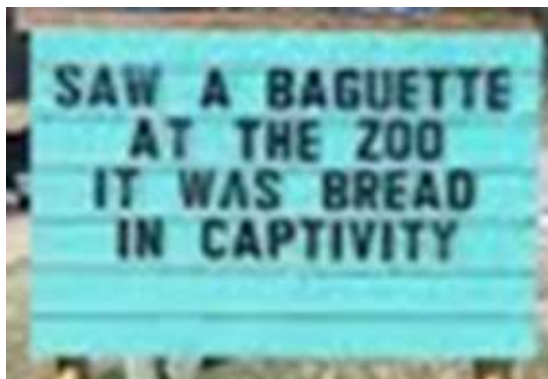

Parents' Day promotes the message that the role of the parent is important in human development, which requires investment, focus, and commitment. In 1994 President Bill Clinton signed into law a resolution adopted by the US Congress to establish the fourth Sunday of every July as Parents' Day. This day is similar to Mother's Day and Father's Day. According to the Congressional Resolution, Parents' Day is established for "recognizing, uplifting, and supporting the role of parents in the rearing of children" (cited in the National Parents' Day Council website).

### Symbols

Images of people engaged in active learning activities with their children are often used in photos, posters, paintings, stickers and sketches to promote Parents' Day. Images of flowers are also used to promote the day. The messages that organizations try to portray through these images are that: commitment is a core family value; parental responsibilities are important to children's growth and development; and that unconditional love is needed for a strong bond between parental figures and their children. Parental figures include biological, foster or step-parents.

Where is Freistatt you say? The village of 163 residents is located about midway between Mt Vernon and Monett in Lawrence County on Highway H.

Freistatt, Missouri, was laid out in 1873. The community was named by German settlers after the town of Freistatt in Lower Saxony, Germany. The settlers established Trinity Lutheran Church in 1874 and opened a Lutheran school in 1875, both of which remain important institutions in the village. The Freistatt post office has been in operation since 1884.

Freistatt is a municipality in the district of Diepholz, in Lower Saxony, Germany. Population in 2010 was 480. See the map below.

1982 Chevrolet Silverado Brown  
1967 Ford Mustang Red

**Leroy Winkle** has joined, too. He has a beautiful 1956 red/white Chevy. There is picture of his car in the photo gallery under the Mark Twain Elementary School cruise that we took on the 24<sup>th</sup>.

**Jerry Wallace** joined at the meeting. He owns the following vehicles:

1955 Ford Truck – Tan

1966 Volkswagen – Yellow

1951 Chevy Hard Top – Red

### *Cruise to Mark Twain Elementary – June 24, 2021*

The Classic Chevy Club was asked to participate in a **parade for the Mark Twain Elementary School** on Thursday, June 24, 2021. The club has been requested in the past to assist local schools with programs involving vintage automobiles. Visits to Bowerman Elementary, Summit Intermediate, and High Pointe Elementary come to mind. Sort of a rolling community service, if you will. The Parade was spearheaded by Quentin Brown for his wife Amanda. Amanda is teaching summer school and the theme for this year's curriculum is Route 66. You might remember Quentin since he is a local photographer and been to many of car shows around the Springfield area.

Quentin wrote, "Calling all Car Guys! This summer, Amanda is teaching summer school and the theme for this year's curriculum is Route 66. We would like to organize a car parade for her school so her students could see all the old cars that once drove on Route 66."

Classic Car Club members Norma & Dennis Taube, Melinda & Jess Owen, Helen & Larry Fortner, Leroy Winkle (New member), Bret Chrismer (SWMO Hot Rod Hundred organizer, and Yvonna Davis & Dave Walters were happy to oblige. And along with Quentin's mother Susan and son Cam, we paraded from South Haven Baptist Church to Mark Twain Elementary and were greeted by waves and cheers.

Quentin thanked us for inspiring young kids to carry on the hobby of ours. Photos are in the photo gallery.

And, of course, the Taube's, Owen's, Fortner's, and Yvonna & Dave completed the morning chores by eating breakfast at Steak 'n Shake.

### *For Some Reason I Just Like This One*

### *Father's Day Cruise-In at College of the Ozarks*

The car show at **College of the Ozarks** was held on **Father's Day**, June 20. The show and buffet will be scaled back this year. For this reason, we were allowed fewer cars than past years.

However, the Classic Chevy Club had 16 cars shown. The inside venue in Keeter Center had not changed much from previous shows.

But, the outside venue (parking lot) had been remarkably updated with two new reimagined parking lots. There was plenty of wooded area on each side of the parking lot that supplied nice shaded areas which allowed the participants to spread out more than when we were relegated to the center porch.

Award winners from Classic Chevy Club were:

Most Original: Joel Chamberlain, 1936 Packard 120B Touring Sedan

People's Choice: Jim Meyer, 1965 Chevelle Malibu

Non-member award winner was:

Best of Show: Jack Carter, 2019 Ford GT

An interesting sidebar occurred at the show. There was a gentleman with a camera attached to a pole. He was taking movies and stills of the cars at the show. He walked around the cars and took inside and outside media. He was very meticulous and thorough.

His name was Dave Noble. Mr. Noble has a You Tube channel. He spends his time traveling around the country to car shows. His channel is "Dave Noble You Tube."

He sent me an email with all the information from the show including clever videos and pictures. This channel allows the web surfers access to many of his shoots over the years. Many were prestigious concurs.

By the time you read this, newsletter readers will have an email from the editor that was forwarded to membership with information and links. Fascinating work.

### *Steak 'n Shake – June 5, 2021*

Cruise-in 3.0 was held on June 5 at the **Steak 'n Shake** on South Glenstone Avenue at East Cinderella Street.

Carl Schmachtenberger, Bobby Goss, Dennis Taube, Jim Meyer, CL Carter, Charles Mahaffey, Barbara & Gene Putnam, and Johnny Cox were spotted there.

Bobby Goss was there and reported "I was there and the place was pretty full."

### *Rockbridge Trout Farm Restaurant Cruise – June 26, 2021*

There was more green on the weather map on June 24 than there was in a politician's pocket on election day. So, it was no surprise that club members brought their family daily drivers to the start of the cruise rather than their classic. But that didn't stop the tour and fun time we all had on the way to **Rockbridge Trout Farm Restaurant**.

Weather forecasters talk about spotty rain and we ran into that situation just south of Ava. But the cloudburst was short in length and the rain did not spoil any of the festivities.

We arrived about 30 minutes before our reservation time. Some members were able to visit the mill, others chose to shop at the gift shop, and the remainder chatted on the covered porch.

We had a great lunch. I believe everyone left full to say the least.

And we headed home.

The following club members were in attendance:

Jim Scott, Tom & Chris Berg (friends of Melinda & Jess), Daryl Brown, Dana & Pat Jennings, Mollie & CL Carter, Beverly & Johnny Cox, Jean & Dave Deason, Helen & Larry Fortner, Robin & Bobby Goss, Carol & Niles Jones, Donna & Jim Meyer, Melinda & Jess Owen, Mary & Dennis Partlo, Barbara & Gene Putnam, Norma & Dennis Taube, Yvonna Davis & Dave Walters

• Well here is the list of committies along with the heads of each committee.

## Classic Chevy Car Club Newsletter Archive – February, 1980

Page 2

Everyone should be on at least one...if not two committies. Many will require no work (or little) until the Regional and then will last only a short time. Study the list over and try to decide what committies you want to be on. You will be helping the club have the best Regional and should find some fun in the event itself. On behalf of all the committee heads and Karl look at this with honor and enthusiasm, for it will say something of our club and the National Club to allow us to hold this event. If you look down the list of clubs you will find much larger cities, but size and number will not make a club... PEOPLE DO!!!!

Wendell

\*\*\*\*

Let me remind you in the past we have made a run to the Red Barn in March, if you want to go again this year be ready to vote at the February meeting.

\*\*\*\*\*

This months feature member is Bud Janes, who is also sometimes called the "Mortician" by his fellow club members, and at other times called many other things by the same members which we cannot print!

Bud joined our club about October of 1978.

He is single, lives in Springfield, and has worked at Zenith for the past 13 years. Of course, Bud's main hobby is messing around with cars, especially Classic Chevy's of which he owns three.

He has a '55 two door Sedan he has owned since his high school days which he is presently fixing up for a daily driver. Another project is a '55 two door Hardtop formerly owned by Tom Miller, who used to be in our club.

Last summer Bud bought a black '55 Sedan Delivery that had been freshly restored and looks very sharp. The car had been formerly owned by Dale Bussard, who is a paperhanger here in Springfield. Mr. Bussard used this car for a workhorse for many years, and if anybody had seen it before it was restored compared to how it looks now you would be amazed that it is the same automobile.

Anyhow, getting back to Bud, he is a welcome addition to our club because if you feel like insulting somebody, throw it at Bud, he's getting used to it!

\*\*\*\*\*

### CCA POINTS

Our next turn in is February 19th so bring your items to the Regional meeting. If you can't attend please send your items with someone you know is going. The first turn in for March is the 4th so bring your items to the meeting or drop them off at Jeanie's, Sharlet's or my house no later than the 2nd.

Shirley

With the CCA Points we had a much better turn in the last time, we came in third with \$30.00, but still don't have the total members of the club. This is easy money for the club, you don't have to do anything except save the register tickets, milk caps and pop caps and turn them in every two weeks.

Our club is in the medium class due to the number of members we have and you might say we are playing a game with the other clubs but if not even half of them work its not very fair to our club or those members who do turn in items. I'm well aware that 100% of a club usually doesn't happen but I'll push for it every time!!!

Wendell

### IT'S A BOY

Brandon Kirk Sears decided to make his grand appearance during the worst snow of the year. He was born February 9th weighing in at 8 lbs. 8 ozs. and 21 inches long. On behalf of the club I would like to say CONGRATULATIONS Pat and Dorcas.

\*\*\*\*\*

### FOR SALE

Black center console from '70-71 Camaro with factory 3 speed automatic saddle shifter and shifter cable. \$20.00

If any of our members has seen or knows any information on the following car please contact Charles Dooley, Bolivar at 326-4271. This car was stolen February 3rd (Sunday) on Highway 13 North of Springfield.

1956 two-door Hardtop, turquoise and white, rolled pleated seats and no door panels, 6 cyl. automatic. Vehicle #C550047568.

## Clever High School Car Show – August 28, 2021

15th Annual

~~August 29, 2020~~

Hello Show Enthusiast:

Due to the COVID-19 pandemic, we were not able to have what would have been our 15th annual car show last year. So this year we are going to try again! The **15th Annual** Clever Bands Car & Truck Show is now scheduled for **Saturday, August 28, 2021**. This will help the band kickoff what expects to be a great year!

**August 28, 2021**

We look forward to a bigger and better year than ever before and we could not do it without your support. We were thrilled to have over 150 vehicles that pre-registered for the previous show, even with a horrible weather forecast. 70+ cities from 3 different states were represented at the show with a wide variety of nice vehicles. The previous two years averaged 275 participants each year! The show will be held once again at the Clever High School located at 6800 W. State Hwy 14, Clever, MO. 65631.

This is our largest fundraiser for the year with **100% of the proceeds going to the Band Program at Clever R-V Schools to help with the purchase of instruments, travel, music and many other things associated with the program.**

The 1<sup>st</sup> 200 pre-registered entries will be receiving a free t-shirt, dash plaque & goodie bag. I encourage you to pre-register for the show to save time and money. To be pre-registered, we must either receive your payment via PayPal by August 27th at 5:00pm, or by check and postmarked by August 20th. All pre-registered participants will not have to fill out paperwork on the day of the show. You can pre-register online at [www.clevercarshow.com](http://www.clevercarshow.com). You can pre-register online with a credit/debit card as well.

Again we have carhops, silent auctions, food trucks, and the Kids Zone. You can go online to [www.clevercarshow.com](http://www.clevercarshow.com) and check out the great items for the silent auction as we get closer to the show time and much more.

Registration will be open at 8:00am with the show hours of 8:00am – 3:00pm. Judging will begin at 9:00am with awards promptly at 3:30pm. We welcome trailers and will have plenty of room to park them. Registration for judging will close at 12:00pm. ***Please help us pass the word along to your clubs and friends. Please let us know if you need extra flyers to pass out to your clubs or area businesses and we will be happy to get those to you. You can also go to the website and print off more! Thank you all for your continued support of these great kids!***

If you have any questions, please contact us and we will get back to you as soon as possible.

Thank you,
