Independence Day is July 4

Independence Day is annually celebrated on July 4 and is often known as "the Fourth of July". It is the anniversary of the publication of the declaration of independence from Great Britain in 1776. Patriotic displays and family events are organized throughout the United States.

Is Independence Day a Public Holiday?

Independence Day is a public holiday. It is a day off for the general population, and schools and most businesses are closed.

Celebrate Independence Day

Independence Day is a day of family celebrations with picnics and barbecues, showing a great deal of emphasis on the American tradition of political freedom. Activities associated with the day include watermelon or hotdog eating competitions and sporting events, such as baseball games, three-legged races, swimming activities and tug-of-war games.

Many people display the American flag outside their homes or buildings. Many communities arrange fireworks that are often accompanied by patriotic music. The most impressive fireworks are shown on television. Some employees use one or more of their vacation days to create a long weekend so that they can escape the heat at their favorite beach or vacation spot.

Independence Day is a patriotic holiday for celebrating the positive aspects of the United States. Many politicians appear at public events to show their support for the history, heritage and people of their country. Above all, people in the United States express and give thanks for the freedom and liberties fought by the first generation of many of today's Americans. The Statue of Liberty is a national monument that is associated with Independence Day.

Public Life

Independence Day is a federal holiday. If July 4 is a Saturday, it is observed on Friday, July 3. If July 4 is a Sunday, it is observed on Monday, July 5. Government offices and schools are closed. Some businesses may be

closed as well. In some years, many employees use a proportion of their vacation days to create a long weekend. This can cause congestion in some places, particularly towards popular holiday destinations.

There are many public events, parades, shows and fireworks displays. This may cause local disruption to traffic. Public transit systems do not usually operate on their regular timetables.

About Independence Day

In 1775, people in New England began fighting the British for their independence. On July 2, 1776, the Congress secretly voted for independence from Great Britain. Two days later, on July 4, 1776, the final wording of the Declaration of Independence was approved, and the document was published. The first public reading of the Declaration of Independence was on July 8, 1776. Delegates began to sign the Declaration of Independence on August 2, 1776. In 1870, Independence Day was made an unpaid holiday for federal employees. In 1941, it became a paid holiday for them.

The first description of how Independence Day would be celebrated was in a letter from John Adams to his wife Abigail on July 3, 1776. He described "pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations" throughout the United States. However, the term "Independence Day" was not used until 1791.

Interestingly, Thomas Jefferson and John Adams, both signers of the Declaration of Independence and presidents of the United States, died on July 4, 1826 - exactly 50 years after the adoption of the declaration. It is also important to note that Native Americans lived in the country and each tribe had its own nation and government prior to the European settlers.

Remember When.....

The last installment of the series called Remember When..... is located before the photo gallery section of the newsletter. This month's segment is an News-Leader article written in 1986 about a local car show. We have completed working on a website repository for the published versions. See Website Newsletters Page and Remember When subpage.

When you see her, be sure to say thank you to Melinda for all the work she completed on this project.

Website Updates

The latest on the signature show schedules and flyers are listed below. But there are other changes. The July West Plains Car Club newsletter is now available in the Newsletters page.

Our club newsletters are current through July. Membership Lists are current.

However, if you see something that should be changed or added, let the editor know.

We have developed a website page that contains the work that Melinda has been generating with the Remember When... format. The subpage is now active under the Newsletters page. The page is current through July. July, 2020, is the last in the Remember When series.

The format for this month's edition will be like June's in that it will be different than the previous installments of "Remember When." A transcribed article that appeared in the Springfield News Leader pertaining to our club in August, 1986, is presented. Melinda hopes you enjoy a window into our club's past which replaces the look back at cars by decade section.

New Features for July:

- Retrospective photo albums - Members Photos with their 1956 Classics from 2012 outing at Doling Park.
- Classic Chevy Club Newsletter from June, 1976, that included articles about the club picnic, roller skating, and camping out.
- Several new photo albums that include the Ladies Luncheon, Aurora Cruise, Seymore Cruise, Mt Vernon Veterans Home parade, and Club Meeting & Dinner at Jose' Loco's

Five new Photo Albums have been added to the Photo Albums page for June. These albums contain pictures from both Aurora & Seymour club cruises, flag day parade at Mt Vernon Veterans Home, Ladies Luncheon, and club meeting at Jose' Loco's.

There are two new / revised flyers or 2020 notifications of events. These are included:

<i>Sleds Midwest</i>	<i>Branson, MO</i>	<i>21-Aug to Aug 23</i>
<i>July 4 Parade</i>	<i>Dadeville, MO</i>	<i>04-Jul</i>

On the email page, there is a link to the newsletter attachment as well as links to car show flyers and to the Jan-Dec 2020 schedule that are in the club website album. These links should reduce the size of the newsletters in the future.

Classic Chevy Club Meeting – No Longer Tentative

The next meeting is to be held in July, 27, 2020, at Jose' Loco's on West Battlefield.

Road Trips and Adventures Updates

Larry and his leadership team proposed road trips and adventure schedules for discussion at the first club meeting for 2020 on June 22. Included are Bennett Springs, fall foliage tour, and the club picnic. Be sure to mark your calendars.

Reminiscing with Gene - Old Filling Stations

Editor Note: Gene Herndon sent me some pictures of old filling stations. Here is this month's installment.

NSRA Street Rod Nationals – October 17-19,2020

Repeat of May 1 email from Walt:

Hello and good evening.

Just a quick note to say the 2020 Mid America NSRA Show is back on and rescheduled October 17th 18th & 19th. If you're already entered, It's still good for October. Safe driving and safe health.

Marshfield Cruisers

Marshfield Cruisers cruise-in had been canceled for May. But they were determined to hold the June cruise-in. They were able to hold the June cruise-in on the regular schedule, second Saturday of the month, June 13. See pictures in the photo gallery.

Ladies Luncheon

June 6 was the day set aside to recognize the club ladies with birthdays in April, May, and June. Originally scheduled at Ms. Gilmore's Tea Room in Springfield, the event was moved to Houlihan's on Republic Road due to possible marches and protests.

The luncheon theme was to bring a picture of birthday parties as a child that had special meaning. The reminiscing was a success. Attendees included Beverly Cox, Robin Goss, Donna Meyer, Helen Fortner, Melinda Owen, Glenna Tomlin, Norma, Taube, Mary Partlo, Jean Deason, Carol Jones, Donna Wernet, Yvonna Davis, and Mary Kuhn.

A special

to Melinda and Norma for organizing the event.

**Bennett Springs State Park Cruise
August 8, 2020**

We will be leaving from the parking lot of Furniture Row which is located at 1314 N. Eastgate Avenue at 9:30 a.m. Furniture Row is located at the junction of U.S. 65 and Division St. We will group in front of the Denver Mattress Company. Please be there no later than 9:20 a.m.

The drive to Bennett Springs on back roads will take approximately 1 ½ hours. We will make a short pit stop in Marshfield before continuing on to Bennett Springs. After a short stop to enjoy the scenery and visit the facilities at Bennett Spring we will head out for the Rocking Chair Restaurant in Conway. They will be expecting us at 12:30 p.m.

The Rocking Chair Restaurant is well known for their fried chicken and catfish, both of which will be available on the buffet. The buffet is \$10.49 per person or you can order off the menu.

Father's Day Cruise and Buffet - Canceled

The College of the Ozarks Car Show is normally held on Father's Day (June 21, 2020) was canceled.

Club Meeting and Dinner Out Night

The Library Center will not be open for gatherings until September. In the interim the club held its first meeting of 2020 on Monday, June 22, at Jose' Loco's at 5:00 pm. Our plans are to assemble there on July 27, too.

Plans beyond July are tentative at best.

Note: Entry to Jose' Loco's will be through the back door on the South side of the building where there is outside seating.

Cruise to Cedar Gap Church - Canceled

Cedar Gap Baptist Church plans to hold its July service, lunch, and car show on the 19th. The Chevy Club will hopefully have a contingent of classics attend. We will donate \$100.00 to the church charities.

Club Picnic – Republic Recreation Center

WHAT: Classic Chevy Club annual picnic
WHEN: July 11, 2020 - Noon
WHERE: Republic Parks & Recreation Pavilion
711 E. Miller Road, Republic, MO 65738

Directions: From Springfield take Sunshine St. west. It becomes US 60. Once in Republic turn left on

Hines St. (Walmart will be on your left shortly before Hines St.) Turn Right on Lynn Avenue which is just past Walgreens. Go one mile and turn right on Miller Rd. You will see the Rec Center on the right. The picnic pavilion is on the west side of the complex.

In honor of our clubs 45th anniversary the club will pay the cost of the picnic to include pavilion rental, fried chicken, bottled water, plates, napkins and utensils and a celebration cake. Please sign up to bring your favorite dish.

If you have an outdoor game please bring it. There was a rousing game of Jenga last year plus an impressive demonstration of yo-yo skills. What will this year bring? We will be celebrating our Club's 45th Anniversary as well so brush up on your 1975 trivia! Pictures are from last year's picnic.

We will not have dedicated parking due to the busy nature of the Rec Center this time of year. For this reason, it is recommended to bring your daily driver.

Note: Limited parking is available very close to the Pavilion with additional parking surrounding the Rec Center. The path to the Pavilion is paved. There are restrooms available in the Rec Center. There should be enough seating in the picnic area but you may want to bring portable chairs if you are concerned about social distancing.

Flag Day Mt Vernon Veterans Home Parade

The Classic Chevy Club was asked if we could bring cars or trucks to the Mt. Vernon Veterans Home on Flag Day, Sunday June 14, for a parking lot parade to honor the veterans. They requested lots of flags decorated on any vehicle you choose to be on. (In addition to cars they were hoping to get tractors, tanks, motorcycles or tricycles.)

We assembled at Macadoodles and left Republic, caravanning to the Veterans Home in Mt Vernon. Once there we lined up and were led by the Veterans Home bus and drove through the parking lot around the building where the veterans were sitting outside for the viewing.

Afterward, we motored to Aurora for a stop at Braum's for ice cream and/or a burger. From there, we went directly home on Highway 60. Some took the back roads to Nixa.

Participants included Jess & Glenna Tomlin, Jess & Melinda Owen, Gene & Judy Herndon, Donna & Jim Meyer, Walt Kruger, and Dave Walters, & Yvonna Davis. Many club friends were there, too. They included Betty & Mike Crabbe, Helen & Larry Fortner, Peggy & William Price, Kenneth Davis, Glenn Baker, and Raymond Goodin.

Photos are available below. They contain pictures taken by the editor. Photos copied from the Veterans Home Facebook page are included.

Fall Foliage October 30-31, 2020

From the desk of Melinda Owen:

As most of you know our club will be hosting the Fall Foliage Tour held in conjunction with clubs from Kansas, Arkansas, Oklahoma and Texas. Attached is the information flyer as well as the registration sign-up sheet. The reason I wanted to get this information out now is to ask for your help in acquiring goody bag items and/or door prizes.

I am not asking for anyone to make cold calls on businesses (unless that is your thing-ha!) but if you have a personal contact with a business or frequent someplace where you know the owners well please approach them for a goody bag item or door prize. Attached you will find a list of the items I have already obtained as well as a few places that have declined my request. (Note: Those of you who attended the cruise, this flyer has been updated with new information.) We would like to obtain a couple of gift cards for \$50-\$100 each to use for door prizes.

Feel free to share the flyer with anyone you approach to help them understand the Fall Foliage Tour. We are expecting 80-100 people.

A flyer is attached below that outlines the venues and events in more detail. A sign-up sheet was circulated at the club meeting on June 22 to indicate if you were going to attend. Another sheet was passed around to sign-up as a worker (AKA volunteer). The sign-up sheets will be circulated again at the July 27 meeting.

Remember When.....

A fun romp through the decades as we approach our club's 45th anniversary in July 2020.

Here is the last installment of Remember When. I hope you have enjoyed a look back at history as we approached our 45th anniversary as a club. The culmination of our celebration will be the picnic, scheduled for July 11th. See everyone there!

Springfield News Leader & Press 8-17-1986

Judges scrutinize 1955-57 Chevrolets entered in a private Classic Chevy Club exhibition in Springfield this weekend. Judges look for evidence of "elbow grease" and deduct points for regular grease stains or other imperfections in the gleaming vehicles, some of which came from as far away as California and New York for the event.

Springfield News Leader & Press 8-17-1986

Chevy classics gleam from the past

By Mike O'Brien

The News-Leader

One of the most unusual automobile shows ever assembled in the Ozarks is breaking up today.

The featured marque is familiar – Chevrolet – but this show spotlights only models manufactured in 1955, 1956 and 1957.

Even more unusual, however, is the fact that you haven't been invited.

Unlike most exhibitions of collectible hardware, this weekend's Classic Chevy Club gathering has been, for the most part, closed to the public. No advertising, no admission tickets, no souvenir programs.

It's not been an easy secret to keep. The 340 eye-catching vehicles have been difficult to hide.

CCC members and their families – most from the Midwest and mid-South, but some coming from as far away as California and New York – overflowed the sprawling Howard Johnson' Motor Lodge complex and claimed another 100 rooms at the adjacent Holiday Inn.

Appearance judging was conducted Saturday morning on a rear parking lot at North Town Mall, drawing curious glances and admiring stares from shoppers and passersby.

A drag strip near Rogersville was leased for private performance runs Saturday afternoon.

And many of the vehicles paraded through local drive-in restaurant lots in a Saturday night cruising session.

When cornered, the car-owners prove to be eager to talk about their four-wheeled treasures. "It's not that we're unfriendly," assures Dave Julian, president of the 52 member Springfield chapter of Classic Chevy Club, which boasts more than 63,000 members in all 50 states and 25 foreign countries.

"It's just that we're very serious about our cars, and what we try to accomplish by getting together like this isn't always understood by the public and doesn't really lend itself to accommodating big crowds."

Indeed, the Saturday morning judging is conducted amid a quiet air of almost solemn reverence.

The 163 cars entered in the "Show and Shine" competition are arranged in neat rows, their engine compartment hoods, trunk lids, passenger doors and even gloveboxes all standing open for inspection. The gleaming paint and sparkling brightwork turn the black asphalt parking lot into a brilliant patchwork quilt of color and chrome.

The show judges circulate slowly among the vehicles, talking in hushed tones and making notes on scoresheets carried on clipboards.

The cars are clustered by year of manufacture and by method of preservation:

- *Factory Original, retaining at least 80 percent original parts.
- *Unrestored Original, carrying no more than 30 percent non-original components.
- *Restored Original, allowing extensive replacement of parts but with careful attention to authenticity.
- *Contemporary, with one major change from original specifications permitted.
- *Modified, with up to four modifications allowed.
- *Custom, deviating five or more times from Chevrolet's original specs.

A 1,000-point-maximum scoring system is employed. Judges fill out a checklist that demands scrutiny of 63 aspects, ranging from overall paint finish (up to 60 points) to the legibility of the decal that lists directions for operating the jack (6 points tops).

The judges work in teams of three, poking into every nook and cranny and comparing notes about what they find. Lively discussions sometimes develop. Did a 1956 sedan have a cloth or vinyl headliner? What is the correct width of tire whitewalls for a '57 convertible?

Does the absence of a glassmaker's trademark prove a door-window is non-stock?

"Most of these cars are so near-perfect that you've really got to look for the little things in order to be able to score a winner," says George Greene of Independence, serving as a judge for the 1956 Restored entries, most of which, despite their 30-year age, look as if they just rolled off a new-car dealer's showroom floor.

Greene's attention is diverted by a moan from beneath a gray and white '56 sedan – the entry of Springfield CCC chapter president Julian.

"Ooooooooooooooooooh," comes the voice of another judge, whose legs are jutting from under the car. "oh my...". "Is that a Yes 'Oh my' or a No 'Oh my?'" Greene inquires.

"Come down here and see for yourself," replies his teammate, Martin Boehringer, who later reveals he was exclaiming in admiration of the attention Julian has lavished upon the car's undercarriage.

"His car looks better underneath than my car does on top," says Boehringer, who lives at Spanish Lake, a St. Louis suburb.

Is rating other cars an inspirational or depressing experience for the judges, most of whom also are car-owners and exhibitors?

"It usually inspires me," says Wayne Steinbeck, the third member of the judging team, who lives in Florissant, also near St. Louis.

I want to restore a '56 hardtop. I have one at home, waiting. I'm learning a lot now so I can apply it to my own '56. I'm seeing what the other guys are going right and learning from the other guys' mistakes."

Not all of the entrants, nor even the judges are, in fact, guys. Emma Krumm of Haysville, Kan., is among three women working as judges Saturday.

"When you grow up with a brother who's a mechanic and then you marry a man who's interested in cars, you can't help but get caught up in it yourself," explains Krumm, who, with her husband, Gene, owns three 1955 Chevrolets, including one she drives daily.

"My brother taught me about the parts and my husband actually got me to working on the cars – so eventually I started judging too. They break you in gently – start you out on Customs and Modifieds, where you just have to see whether it looks nice and is done tastefully. You have to work your way up to the Restored and Originals. It took me a while, but now they trust me."

Joyce Reaves of Horn Lake, Miss., is another who adopted-or at least adapted to-her husband's hobby. "He had a '55 and kept trying to get me interested in it. I fought it as long as I could, but eventually I got hooked, too."

Making her first round as a judge Saturday, under the tutelage of veteran judge Dennis Long of Council Bluffs, Iowa, Reaves takes some good-natured ribbing. "What do you think of that grille?" asks Long, testing Reaves after he'd given the front of the car a thorough inspection himself. "Well," answers Reaves, poking a finger into the chrome grating to check for grime, "It looks clean." "There you go again," chides Long, "using those technical terms..."

Cleanliness virtually is a religion among Classic Chevy Club exhibitors. Many put in long hours Friday night and early Saturday washing and polishing their vehicles, inside and out, topside and bottom. Buckets and chamois cloths dot the motel grounds, along with store-bought containers of name-brand soaps and detergents – plus some bottles of home-brewed guarded secrets. One commercial product put to surprising use is Pledge furniture polish, which enhances the sheen on painted chassis underpinnings.

Looking over the Springfield activities this weekend is Doug Morehead, the 38-year-old Orlando, Fla., car enthusiast who started Classic Chevy Club in 1974. "We knew the club would get big," says Morehead, who was in elementary school when 1955-56-57 Chevys were rolling off the assembly lines. "But we didn't know it would get *this* big – or, frankly, that it would grow into this much work."

Managing the club is a full time endeavor for Morehead, who is assisted by a staff of 40, a half-dozen of whom are in Springfield to help organize this show. CCC also has a busy parts business, and recently has gone into commercial car restoration – practicing for profit what the club preaches for fun.

One of the first restored vehicles to roll out of Morehead's Florida shop is a 1957 Chevy convertible that will be given away after a year-long, countrywide raffle promotion. (The raffle is one CCC event that is open to the public. But the ticket price is \$5 each, while club members can buy chances for \$3 apiece.)

The brilliant red raffle prize is valued at \$40,000 – a price tag rivaled by many of the member-owned cars on display.

What is the allure of these cars that would prompt such investments and hard work? "Everybody has his own reasons for getting involved" says Morehead. "But it mostly comes down to the fact that these cars are classics, by any definition of the word."

"In 1954, Chevrolet didn't offer a V8 motor. And, really, the cars weren't very attractive – they had that 'pregnant rollerskate' look. "Then in '55 the Chevys came out lowered six inches, with a V8 that made them fast and a new front suspension that made them handle well. People liked the way they looked, and they liked the way they went. "But by '58 they'd added another 500 pounds, put in a different engine and made other changes that brought that particular era to an end.

"Chevy still makes fine cars," Morehead says, "but there's a certain magic about '55-'57 that sets them apart. People recognize that, and that's why this club has grown into what it is today."

Classy plates for classy cars

In addition to demonstrating their mechanical skills, members of the Classic Chevy Club also showed off their cleverness in personalized license plates affixed to their cars in Springfield this weekend.

Bearing the colors of several states, some of the more memorable tags read:

NVMY 56 CRUZR 57 IMA 55 NIFTY-SIX SLIK 55
CRUZN 56 5T5 FAN URMV 56

The scholarly owner of a 1955 model confirmed its origin in Roman numbers: **MCMLV**. And a racy-looking '57 convertible bid a sassy **BYE-BYE** from its rear license plate.

	CORNER	
<u>For the Record</u> Classic Chevy Club was formed in 1975 for the enjoyment, preservation and restoration of Classic Chevy's. Members need not own a car, but a sincere interest is requested. Don said her treatments are over and that Loneta is on the mend even though it has been a difficult ordeal. They are ready to go eat ice cream again. ===== Charles Mahaffey email from June 29 has some good news. Pet scan # 2 today. First post chemo was March 27, this 3 months later. Was all clear, no sign of tumor activity. I am blessed, God is good. Thanks to all for prayers and encouragement. PS, Sarah continues to improve and is also cancer free. Double thanks to God. Mt. Vernon Cruise

Leave the Macdoodles parking lot and turn right onto Hwy. 60. Travel a short distance and turn right onto route 174.

Travel approximately 20 miles to Mt. Vernon. After crossing over Interstate 44 turn left onto the frontage road. The frontage road becomes the main drag through Mt. Vernon. Turn left on Hickory St. Proceed to the Veterans Home at 1600 Hickory St. Once there we will have to play it by ear to see where we line up.

After the parade if you choose to continue on with the cruise to Aurora we will head north on Hickory (back the way we came) and turn right onto the main drag which is labeled Business 44 on the map. I don't know what it is labeled in town. Proceed on the main drag and turn right to cross over Interstate 44 onto Hwy 39.

Proceed approximately 12 miles to Aurora. Continue through Aurora on the 39/265. Watch for a right hand turn to stay on 39/265 as you move through town. 39/265 may be labeled Elliot Avenue at the stop sign where you will make the right turn to stay on 39/265. Continue on to Braum's which will be on your left just past the stop light at Hwy 60.

When we leave Braum's we will turn right onto 39/265 then make a right onto U.S. 60.

Travel approximately 5 miles and turn right on 1230LC road. Alpine Woods Products is on the right and Marionville Municipal Court building is on the left near the intersection. (It is not a major road so you will have to watch closely for it.)

Travel approx. 5 miles turn left onto Timbren Rd. After about 4 miles you will approach the 413/265 Hwy. Continue straight onto M Hwy.

After approx. 12 miles you will come to a stop sign with a white church on the left. Turn left to stay on M Hwy.

Continue on M Hwy to Hwy. 14 in Nixa which will be approx. 7 miles.

Turn right onto Hwy. 14 and travel approx. 3 miles to Hwy 160. Turn left and it will take you to Springfield.

Picnic

The place was Phelps Grove Park. The date was May 23, 1976. The day was a hot but pretty Sunday afternoon and the occasion was a get together of the Classic Chevy Club of Springfield and many non member 55-56-57 Chevy enthusiasts to enjoy an afternoon of "baseball, hot dogs, apple pie and Chevrolets" as long as they were 55 thru 57's!

An ad had been placed in the Springfield newspaper inviting everyone to come and join us on that day and there were several people that did just that. A meeting was held around 2:00 p.m. to let everyone that was unfamiliar with our club know a little more about it and to invite them to join our club. Six people did join that day adding three more classics to our club including one from down in Razorback country, Harrison Arkansas. They are John and Ginger Foley of Harrison who own a maroon and white 55 Chevy two door; Greg and Kathy Oliver from Springfield with a green 57 two door hardtop; and Randy and Barbara Allison also from Springfield, with a blue over beige 55 two door. Randy is also a member of the national club. We'd like to welcome these new members and hope they take an active part in our club and its functions and we hope they won't be disappointed they joined us.

After the meeting was over several members chose to play soft ball while others just hung around under shade trees, drank the pop, and generally "shot the bull" for awhile. It was decided earlier in the afternoon to go "cruisin" around about 5:30 that evening so when 5:30 rolled around about 15 to 20 55-56-57 Chevys lined up and headed out. We all caravanned over to A&W Root Beer on Kearney for some cool suds (root beer type) before splitting up to go home and call it a day. All in all a good time was had by everyone and we considered it a success.

By the way, for those of you who don't know it, it has been decided by a vote of the membership to hold our meetings this summer every other Sunday afternoon at 4:00 p.m. at the southeast corner of Phelps Grove Park. If it is raining the meetings will take place either under the park pavillion or at Reliable Chevrolet's used car lot. If anyone would like to come out earlier on Sunday afternoons to Phelps Grove to play ball, shoot the bull, or what have you, come on out. There may be a few others come early too.

Skating Party

Thursday morning, June 3, 1976 probably saw some awfully sore rumps on many members of the Classic Chevy Club because the night before we had a skating party at Skateland North on Division Street. Between 20 and 25 members showed up to try their hand, feet, elbows and rumps at skating on jeans and tee shirt night where you got in for half price if you wore jeans and a tee shirt. We found out many members could skate pretty well, some a little bit and a few like Don & Sylvia White, and Tom Miller who were taking their lives in their own hands as well as anybody else who got too close to them! Sylvia just never did seem to get the hang of it too well but Don learned pretty fast and he was smilin all the way around the rink. Then there was our Prez himself Tom Miller, who was heard to remark as he was picking himself up after busting his buns in the fourth turn, "!!**##** that hurt all the way up to my neck."

There was also Jerry and Dee Dee Fields who waltzed around the rink hand in hand in perfect time looking as though they might have done this sort of thing before, especially since they came in carrying their own skates! Joe McCracken was seen looking as though he was trying to break skateland's speed skating record with his little brother in close pursuit until Joe was totaled out in the fourth turn by a few other skaters. That fourth turn seemed to be a little hazardous. I even crashed there once myself, as well as numerous other places!

It was a little painful for some but most everyone really enjoyed it and if you missed it, you missed out on a lotta laughs. We might even do it again sometime, what do you say?

Bowling Party

It was brought up and voted on to have a bowling party on July 10th (thats a Sat. night) at an undetermined location as of yet. Keith Watson volunteered to find out where, when, and how and let us know at a future club meeting. If our members can bowl about like they skate this oughta be a blast!

Camp-Out

All those in favor of "roughing it" for a night or two will have that opportunity on July 24th and 25th at a camp out down at the lake as some of the club members voted to. Details on this camp out will also be discussed at a later club meeting so if you're interested in this then start dragging out the tent and being nice to Mother Nature.
