Father's Day is June 21

Father's Day in the United States is on the third Sunday of June. It celebrates the contribution that fathers and father figures make for their children's lives. Its origins may lie in a memorial service held for a large group of men, many of them fathers, who were killed in a mining accident in Monongah, West Virginia in 1907.

Is Father's Day a Public Holiday?

Father's Day is not a public holiday. It falls on Sunday, June 21, 2020 and most businesses follow regular Sunday opening hours in the United States.

Father's Day is a day for fathers and father-like figures.

What Do People Do?

Father's Day is an occasion to mark and celebrate the contribution that your own father has made to your life. Many people send or give cards or gifts to their fathers. Common Father's Day gifts include sports items or clothing, electronic gadgets, outdoor cooking supplies and tools for household maintenance.

Father's Day is a relatively modern holiday so different families have a range of traditions. These can range from a simple phone call or greetings card to large parties honoring all of the 'father' figures in a particular extended family. Father figures can include fathers, step-fathers, fathers-in-law, grandfathers and great-grandfathers and even other male relatives. In the days and weeks before Father's Day, many schools and Sunday schools help their pupils to prepare a handmade card or small gift for their fathers.

Public Life

Father's Day is not a federal holiday. Organizations, businesses and stores are open or closed, just as they are on any other Sunday in the year. Public transit systems run to their normal Sunday schedules. Restaurants may be busier than usual, as some people take their fathers out for a treat.

Background and symbols

There are a range of events, which may have inspired the idea of Father's Day. One of these was the start of the Mother's Day tradition in the first decade of the 20th century. Another was a memorial service held in 1908 for a large group of men, many of them fathers, who were killed in a mining accident in Monongah, West Virginia in December 1907.

A woman called Sonora Smart Dodd was an influential figure in the establishment of Father's Day. Her father raised six children by himself after the death of their mother. This was uncommon at that time, as many widowers placed their children in the care of others or quickly married again.

Sonora was inspired by the work of Anna Jarvis, who had pushed for Mother's Day celebrations. Sonora felt that her father deserved recognition for what he had done. The first time Father's Day was held in June was in 1910. Father's Day was officially recognized as a holiday in 1972 by President Nixon.

Club Cruise on May 2

The Club put together a cruise on Saturday, May 2. We planned to fly under the radar hopefully while keeping our social distance. As Fred Rogers said many times, "A Beautiful Day in the Neighborhood" and it certainly was.

We met at Marco's Pizza in Nixa at 10:00 a.m. and cruised backroads to Aurora. Once in Aurora we chose lunch from one of many fast food options.

We proceeded to Braum's parking lot, found a shady tree to park under, and enjoyed a socially distanced lunch. After lunch we took backroads to Battlefield and on to Nixa.

The cruise, round trip from/to Nixa, was approximately 80 miles. It was 62 miles from Nixa to Republic.

My count on attendees was Deason, Fortner, Goss, Hearndon, Jones, Kuhn, Meyer, Owen, Taube, Tomlin, Trosper, Veith, and Walters/Davis.

Gary & Sandy Henry attended as guests.

As Mr. Rogers said, "It certainly was A Beautiful Day in the Neighborhood."

Pictures from the event are in the following Photo Gallery.

Club Cruise – May 23, 2020

From Melinda
Hello All,

Back by popular demand! - After the May 2 weekend's cruise, the club had many requests to do another cruise soon. Larry Fortner put together a wonderful cruise to Seymour, Missouri, for May 23. I know many of us had been looking forward to the NSRA event on this date which has been moved to October. This gave us an opportunity to still get together and enjoy our classic cars.

The cruise took off from Walmart in Ozark at 10:00 a.m. and cruised Highway 14 to Ava. We stopped in Ava at the Signal station for about a 20-minute pit stop. Those who had to get non-ethanol premium were able to top off their gas tanks.

From Ava we headed north and cruised through Amish country, then on to Seymour. Once in Seymour, we

parked on the downtown square to feast on our sack lunches. Lawn chairs (socially distanced, of course) were set up.

There were many shade trees as well as a small covered gazebo for shade. We sat and enjoyed our sack lunches and each other's company.

While in Seymour, Melinda shared information on upcoming planned events and the Fall Foliage event our club will be hosting in October. This was not intended to be a formal meeting but it was a great opportunity to talk about our planned activities where we asked and answered questions.

After lunch we headed back to Nixa. Larry lead the way back to Nixa via a southern route on Highway 14 and others took Highway 60 back to Springfield. Either way the round trip was about 105 miles. We loved to see everyone's classic cars but daily drivers were welcomed, too. The main thing was we got to see all of your smiling faces!

Ladies Luncheon

Norma has planned our next Ladies Luncheon. Details are below:

Date: June 6th
Time: 11:30 a.m.
Location: Ms. Gilmore's Tea Room
211 Commercial St.
Springfield

We will be practicing social distancing by sitting at individual tables versus the one long table we have used in the past.

The birthdays that will be recognized this time will be for April, May and June. Norma has asked everyone to try and bring a picture of one of your birthday parties as a child that had special meaning for you. We can all reminisce together!

Bennett Springs State Park Cruise June 13, 2020

Summer is the perfect time to head out for a cruise in our classics. This year we will be heading to Bennett Springs State Park.

We will be leaving from the parking lot of Furniture Row which is located at 1314 N. Eastgate Avenue at 9:30 a.m. Furniture Row is located at the junction of U.S. 65 and Division St. We will group in front of the Denver Mattress Company. Please be there no later than 9:20 a.m.

The drive to Bennett Springs on back roads will take approximately 1 ½ hours. We will make a short pit stop in Marshfield before continuing on to Bennett Springs. After a short stop to enjoy the scenery and visit the facilities at Bennett Spring we will head out for the Rocking Chair Restaurant in Conway. They will be expecting us at 12:30 p.m.

The Rocking Chair Restaurant is well known for their fried chicken and catfish, both of which will be available on the buffet. The buffet is \$10.49 per person or you can order off the menu.

Father's Day Cruise and Buffet

The College of the Ozarks Car Show is normally held on Father's Day (June 21, 2020). At press time it is unknown if the car show will be held. As more information becomes available, it will be communicated via email.

Club Meeting and Dinner Out Night

The Library Center will not be open for gatherings until September. In the interim the club will hold its first meeting of 2020 on Monday, June 22, at Jose' Loco's at 5:00 pm. Our plans are to assemble there on July 27, too.

Plans beyond July are tentative at best.

Note: Entry to Jose' Loco's will be through the back door on the South side of the building where there is outside seating.

Cruise to Cedar Gap Church

Cedar Gap Baptist Church plans to hold its July service, lunch, and car show on the 19th. The Chevy Club will hopefully have a contingent of classics attend. We will donate \$100.00 to the church charities.

Club Picnic – Republic Recreation Center

WHAT: Classic Chevy Club annual picnic
WHEN: July 11, 2020 - Noon
WHERE: Republic Parks & Recreation Pavilion
711 E. Miller Road, Republic, MO 65738

Directions: From Springfield take Sunshine St. west. It becomes US 60. Once in Republic turn left on

Hines St. (Walmart will be on your left shortly before Hines St.) Turn Right on Lynn Avenue which is just past Walgreens. Go one mile and turn right on Miller Rd. You will see the the Rec Center on the right. The picnic pavilion is on the west side of the complex.

In honor of our clubs 45th anniversary the club will pay the cost of the picnic to include pavilion rental, fried chicken, bottled water, plates, napkins and utensils and a celebration cake. Please sign up to bring your favorite dish.

If you have an outdoor game please bring it. There was a rousing game of Jenga last year plus an impressive demonstration of yo-yo skills. What will this year bring? We will be celebrating our Club's 45th Anniversary as well so brush up on your 1975 trivia! Pictures are from last year's picnic.

We will not have dedicated parking due to the busy nature of the Rec Center this time of year. For this reason, it is recommended to bring your daily driver.

Note: Limited parking is available very close to the Pavilion with additional parking surrounding the Rec Center. The path to the Pavilion is paved. There are restrooms available in the Rec Center.

Fall Foliage 2020

From the desk of Melinda Owen:

As most of you know our club will be hosting the Fall Foliage Tour held in conjunction with clubs from Kansas, Arkansas, Oklahoma and Texas. Attached is the information flyer as well as the registration sign-up sheet. The reason I wanted to get this information out now is to ask for your help in acquiring goody bag items and/or door prizes.

I am not asking for anyone to make cold calls on businesses (unless that is your thing-ha!) but if you have a personal contact with a business or frequent someplace where you know the owners well please approach them for a goody bag item or door prize. Attached you will find a list of the items I have already obtained as well as a few places that have declined my request. (Note: Those of you who attended the cruise, this flyer has been updated with new information.) We would like to obtain a couple of gift cards for \$50-\$100 each to use for door prizes.

Feel free to share the flyer with anyone you approach to help them understand the Fall Foliage Tour. We are expecting 80-100 people.

The Club has put together a club cruise for this upcoming Saturday, May 2. We are going to fly under the radar hopefully while keeping our social distance. The plan is to meet at Marco's Pizza in Nixa at 10:00 a.m. and cruise backroads to Aurora. Once in Aurora there are several fast food options such as Braum's, McDonald's and Sonic plus a few others. Everyone can go to their favorite drive through to pick up lunch then meet in the parking lot of Sutherlands (See change below) to enjoy our take out while sitting in our cars. After lunch we will take backroads to Battlefield and on to Nixa.

Everyone is invited to bring their classics if weather permits. If that is not possible for you then your daily driver will be fine

She continues:

Several things to know for the cruise: Gas in Aurora is 40 cents a gallon higher than Nixa, so I would recommend gassing up before the cruise starts. Also, I cannot guarantee that any stations in Aurora have non-ethanol premium. (See change below) The cruise, round trip from/to Nixa, is approximately 80 miles. It is 62 miles from Nixa to Republic. As you reach a good dropping off point after Republic (or before) to head home feel free to do so. Although there are several drive-through eating places in Aurora I could only confirm use of a restroom at Braum's. For this reason, I recommend everyone eat in the parking lot of Braum's. If you choose to drive through another fast food location please come to Braum's parking lot to eat instead of Sutherlands as originally planned. We will leave Aurora to continue our cruise from the Braum's parking lot. We will have a map available for everyone along with mileage marker guidance for turns. I am very excited to see everyone and get out on what looks to be a beautiful day for a cruise. See everyone at 10 a.m. in the Marco's parking lot in Nixa.

Club Cruise to Seymour (May 23, 2020)

SEYMOUR CRUISE – MAY 23rd, 2020

From the parking lot of the Ozark Walmart turn right onto the 14 Highway and continue 36 miles to Ava.

In Ava you will come to a stop light which is Highway 5. Continue through the light. You will see a Signal station immediately on the left. We will gather at the station for a 20 minute pit stop. No Ethanol premium is also available if you need to top off your tank.

From the Signal station turn right onto Highway 14 then an immediate right onto Highway 5. Travel approximately 12 miles on the 5 and you will come to Highway 60. Cross Highway 60 and turn left on F.

After two miles turn right to stay on F.

Travel 7 miles and turn left on V. Start watching for horse and buggies at this point. There are numerous Amish farms on the route.

After 6 miles you will come to C. Turn left onto C.

Travel approximately 3 miles to Highway 60. Cross over Highway 60. After crossing the 60 turn left onto Center Avenue. (Watch closely here, Clinton St. is immediately before Center Avenue and more prominent than Center Ave. You can easily turn onto Clinton by mistake if not paying attention.)

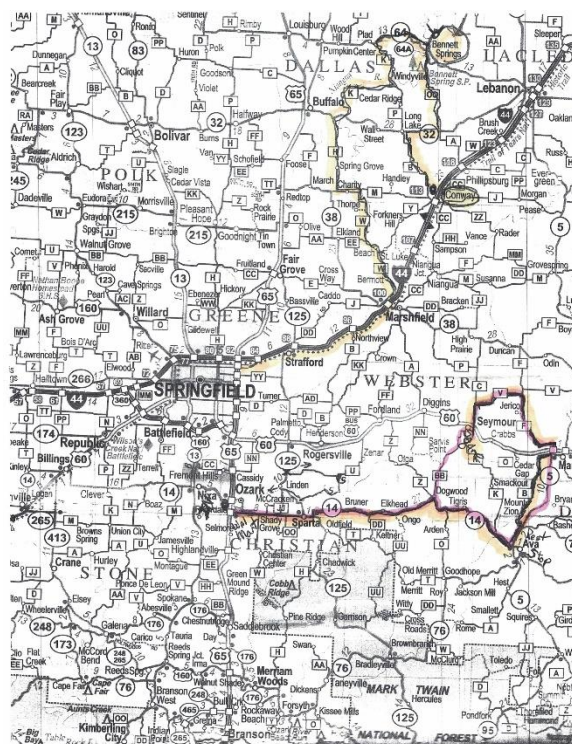

Travel about 2 blocks to Main St. Turn left on Main St. and you will see the town square on the right. Please park on the north or west side of the square.

From Seymour back to Ozark:

Leave the Square by turning right onto Main St. Turn right onto Summit Ave. Turn left onto Division then right on Mack St. which becomes BB.

On BB travel approximately 12 miles to Highway 14. Turn right on Highway 14 back to Ozark.

Interesting facts about the Seymour area courtesy of Charles Mahaffey. (Thanks Charles!) Cedar Gap and Seymour both are on the highpoint of the Ozark Plateau. They are approx. 500 ft. higher than Springfield. Five rivers start close to Seymour. To the north the Nangua and Gasconade begin. East close to Cedar Gap the Bryant begins. Just north of Seymour the James begins and south, the Findley. Our proposed route will be on V north of Seymour. Before intersecting C about half to 3/4 to east, a small stream is on south of V, then you will cross small bridge and the stream will be on north of V. This area is the headwaters of the James river.

Bennett Springs State Park Cruise June 13, 2020

Summer is the perfect time to head out for a cruise in our classics. This year we will be heading to Bennett Springs State Park.

We will be leaving from the parking lot of Furniture Row which is located at 1314 N. Eastgate Avenue at 9:30 a.m. Furniture Row is located at the junction of U.S. 65 and Division St. We will group in front of the Denver Mattress Company. Please be there no later than 9:20 a.m.

The drive to Bennett Springs on back roads will take approximately 1 ½ hours. We will make a short pit stop in Marshfield before continuing on to Bennett Springs. After a short stop to enjoy the scenery and visit the facilities at Bennett Spring we will head out for the Rocking Chair Restaurant in Conway. They will be expecting us at 12:30 p.m.

The Rocking Chair Restaurant is well known for their fried chicken and catfish, both of which will be available on the buffet. The buffet is \$10.49 per person or you can order off the menu.

Classic Chevy Car Club Newsletter Archive – May, 1976

Newsletter

On Sunday April 4, 1976 our club held a swap meet at Smith Park. We invited all the local clubs to attend and most of them did in one form or another. It was a bright, sunny day and by one o'clock in the afternoon most everybody that brought parts to sell had them displayed on the ground. There were many cars attending and quite a few parts but we had hoped for a little more in the parts category. It was our first swap meet though and we're looking for bigger and better things next time. We'd like to thank all those who attended and especially those that bought and sold parts.

Eagle Rock Rod Run

Saturday, April 10, 1976 came bright and early for several members of the Classic Chevy Club as they met on Crazy Cecils parking lot at 8:00 a.m. to bop on down to Eagle Rock, Missouri to enjoy two bright, sunny and a little bit hot days of cars, games and fun for all. Leaving Crazy Cecils lot at approximately 8:20 a.m. were Joe & Nancy McCracken, Don & Sylvia White, Earl & Susie Morgan, Vernon and Sharlet Leppert, Dewayne & Sandy McAllister and Bobby and Pam Goss. After about five miles on the road Vernon's foot got heavy and he passed us all and we didn't see him again until we got to Eagle Rock. We later found out that he wanted to check a few salvage yards on the way down. No wonder he was in a hurry. He wanted to beat the rest of us to the good parts. That boys not dumb!

Around 10:00 a.m. we rolled into Cassville and the hungrys had a firm hold on Don and Sylvias stomachs. We all stopped at a restaurant and had a roll or some toast except Don. He had to scarf down some biscuits and gravy. Then it was on to Eagle Rock. When we pulled in it was a sight any car enthusiast would fall in love with. It was a big grassy hillside overlooking Table Rock lake filled with hundreds of some of the sharpest 55 thru 57 Chevys, Rods, Vettes, Vans and Antiques you could hope to find in one place at one time. Tom Miller met us at the gate and saved us some time by already having us registered and obtaining our dash plaques and saving us a spot to park. Thanks Tom, we appreciated that. Also on hand to greet us were Jerry & Dee Dee Fields, Pat Sears and old lead foot Leppert and his better half. (Just kidding Vernon). Later in the day Karl and Shirley Close joined us and Sunday Mike and Bonita Yager came down as did Kenny Hurley in his sharp '57. By sundown many tired people went to their lodging for the night while others stayed and listened to the live band.

On Sunday, activities consisted mostly of voting for your favorites and the awarding of door prizes and trophies. Several of our members won door prizes both Saturday and Sunday and guess who won the trophy for the best 55 Chevy? Our own Joe McCracken, thats who. Well deserved Joe!

By the middle of the afternoon most of our club members had headed home with a most enjoyable weekend behind them. I think the Chevy's Limited of Southwest Missouri done a fantastic job in promoting this event and we want to thank them for the invitation. I hope we get one next year because all I can say is if you didn't make this one you missed one heck of a lotta fun and good looking cars. By the way, there were 428 registered vehicles attending. Not bad huh?

Classic Chevy Car Club Newsletter Archive – May, 1976

Car of the Month

Residing at 2204 North Packer Road are Bob and Paula Alford, and one of the sharpest 55 Chevy's around. Bob and Paula have four children and have belonged to our club almost from the beginning of it. Paula, of course, as most of you know, is our Vice-President and also sees that this newsletter is copied and mailed out.

Their 55 Chevy is a Belair 2 door sedan painted light blue and white by Carringers Custom Cars of Willard, Missouri with interior and fully upholstered trunk work by Goodwins Seat Covers & Upholstery of Springfield, Missouri. All chrome is original and the car is powered by the original 265 cu. inch V8 and powerglide transmission. Bob purchased the car in 1971 for \$125.00 in not too good condition in the looks department and transformed it into the attention getting, sharp classic it is today. The odometer shows 69,000 miles. Bob runs L60-14 tires on the rear with Chevy Super Sport wheels all around and drives the car to work at Kraft Foods daily. Paula works at Cox Medical Center and we don't know what Bob makes her drive! Bob plans on maintaining the car in its present condition and maybe replacing the engine with a 350 when the old one gets "tired." As I said before Bob & Paula's 55 is one of the nicest ones around and we're proud to have it and them in our club. By the way Bob & Paula, you wouldn't consider taking that \$125.00 back for the car would ya? Nah, I didn't think so.
