Windows vs. Ford

For all of us who feel only the deepest love and affection for the way computers have enhanced our lives, read on. At a recent computer expo (COMDEX): Bill Gates (presumably the first appointed "leader" of the world) reportedly compared the computer industry with the auto industry and stated, "If Ford had kept up with technology like the computer industry has, we would all be driving \$25 cars that got 1,000 miles to the gallon."

In response to Bill's comments, Ford issued a press release stating:

If Ford had developed technology like Microsoft, we would all be driving cars with the following characteristics (and I just love this part).

1. For no reason whatsoever, your car would crash twice a day.
2. Every time they repainted the lines in the road, you would have to buy a new car.
3. Occasionally your car would die on the freeway for no reason. You would have to pull to the side of the road, close all of the windows, shut off the car, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
4. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
5. Macintosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive - but would run on only five percent of the roads.

6. The oil, water temperature, and alternator warning lights would all be replaced by a single "This Car Has Performed An Illegal Operation" warning light

7. The airbag system would ask, "Are you sure?" before deploying.

8. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.

9. Every time a new car was introduced car buyers would have to learn how to drive all over again because none of the controls would operate in the same manner as the old car.

10. You'd have to press the "Start" button to turn the engine off.

PS - I'd like to add that when all else fails, you could call "customer service" in some foreign country and be instructed in some foreign language how to fix your car yourself!

Please share this with your friends who love but sometimes hate their computer!

Pearl Harbor Remembrance Day – December 7, 2021

National Pearl Harbor Remembrance Day, which is annually on December 7, commemorates the attack on Pearl Harbor, in Hawaii, during World War II. Many American service men and women lost their lives or were injured on December 7, 1941. National Pearl Harbor Remembrance Day is also referred to as Pearl Harbor Remembrance Day or Pearl Harbor Day.

Is Pearl Harbor Remembrance Day a Public Holiday?

Pearl Harbor Remembrance Day is not a public holiday. Businesses have normal opening hours.

Some communities hold special memorial services on Pearl Harbor Remembrance Day.

What Do People Do?

On the direction of the President, the flag of the United States of America should be displayed on the homes of Americans, the White House and all United States government buildings. The flag should be flown at half-mast to honor those who died in the attack on Pearl Harbor.

Many associations, especially those linked with Pearl Harbor survivors or those who died from the attack, participate in special services to commemorate the event. Memorial services are held at venues such as the USS Arizona Memorial in Pearl Harbor. Other activities include: wreath-laying ceremonies; keynote speeches by those associated with the event; luncheons; media stories on survivors' recollections of the Pearl Harbor attack; and school activities to educate students about the attack on Pearl Harbor in relation to World War II history.

Public Life

Pearl Harbor Remembrance Day is not a federal holiday. Government offices, schools, businesses and other organizations do not close. Public transit systems run on their regular schedules. Some organizations may hold special events in memory of those killed or injured in Pearl Harbor.

Background

On Sunday morning, December 7, 1941, the American Army and Navy base in Pearl Harbor, Hawaii was attacked by the Imperial Japanese Navy. The attack came as a surprise to the American Army and Navy and led to great losses of life and equipment. More than 2000 American citizens were killed and more than 1000 were injured. The Americans also lost a large proportion of their battle ships and nearly 200 aircraft that were stationed in the Pacific region. More than 60 Japanese servicemen were killed, injured or captured. The Japanese Navy also lost five midget submarines and 29 aircraft.

The Japanese military had hoped that the attack on Pearl Harbor would prevent the United States of America from increasing her influence in the Pacific. However, the events in Pearl Harbor actually led to the escalation of World War II. The day after the attack, the United States declared war on Japan and so entered World War II. President Franklin Roosevelt in a speech to Congress stated that the bombing of Pearl Harbor was “a date which will live in infamy”. Shortly afterwards, Germany also declared war on the United States. In the months that followed the attack, the slogan “Remember Pearl Harbor” swept the United States and radio stations repeatedly played a song of the same name.

In 1991, which marked the 50th anniversary of the attack on Pearl Harbor, the United States Congress established the Pearl Harbor Commemorative Medal. This is also known as the Pearl Harbor Survivor's Medal and can be awarded to any veteran of the United States military who were present in or around Pearl Harbor during the attack by the Japanese military. The medal can be awarded to civilians, who were killed or injured in the attack.

Symbols

Memorials have been built to remember or to symbolize the day. For example, the USS Arizona Memorial in Pearl Harbor is a marble memorial built over the sunken USS Arizona, which was dedicated in 1962. The memorial remembers all military personnel who were killed in the Pearl Harbor attack. The memorial was designed by architect Alfred Preis, an Austrian-born resident who lived in Honolulu and was placed at a detainment camp after the Pearl Harbor attack as part of the internment policy of Japanese and German Americans at the time.

Another memorial that commemorates Pearl Harbor Day is the USS Utah, a battleship that was attacked and sunk in Pearl Harbor on December 7, 1941. A memorial to honor the crew of the USS Utah was dedicated on the northwest shore of Ford Island, near the ship's wreck, in 1972. The ship was added to the National Register of Historic Places and declared a National Historic Landmark in 1989. It is also Utah's official state ship. Memorabilia, books, and movies about the attack on Pearl Harbor in 1941 have also been made available to the public over the years.

Fall Foliage – Oklahoma October 29-31, 2021

Nine couples from the club did attend the fall foliage tour in Oklahoma on October 29-31. Partlo's, Fortner's, Trosper's, Goss', Cox's, Meyer's, Owen's Deason's and Taube's were the caravan.

From Melinda Owen's travelogue.

Good morning, Dave.

I just texted you three pictures from fall foliage. Sorry I didn't get more but there just didn't seem to be a good picture opportunity everything happens so fast Saturday morning. The first two pictures are from the Catfish House restaurant and the third pic is of most of the group in the lobby of the Lodge.

The weekend was wonderful. The participants were:

Dennis & Mary Partlo
Larry & Helen Fortner
Tom & Barbara Trosper
Bobby & Robin Goss
Johnny & Beverly Cox
Donna & Jim Meyer
Dave & Jean Deason
Dennis & Norma Taube
Jess & Melinda Owen

We had 5 classic cars represented at the tour. The trip down went well. We started out with rain but drove out of it by the Oklahoma state line. The route chosen took us on back roads that were quite pretty. After one minor Google Maps Hiccup, we arrived safely at the Sequoyah Lodge about 5 p.m.

Saturday the weather was ideal for a cruise. It was sunny with no wind and a high of 65. There were 43 cars this year and 78 people. The cruise left the Sequoyah Lodge at 9:15 a.m. We cruised to Fayetteville where we ate lunch at the Catfish house restaurant. We arrived back at the Lodge at 4:30 p.m. While there was not much color on the trees it was a beautiful drive which was just under 200 miles round trip.

The evening get-together included a masterful story telling session by Herman from H&H Classic Parts, a fun trivia game (which I will include in another email) and the gift exchange.

Our group left on Sunday morning to head home and made it back with only minor trouble.

The Fall Foliage Tour next year will be in Poteau Oklahoma on October 28-30. See the photo gallery for next year's flier and pictures from this year.

Thanks to Donna Meyer

JANUARY MEETING WRAP-UP

For those of you who weren't able to attend the club meeting held on January 24th, here is a short summary of the business conducted:

1. Avery read thank you cards from the Missouri Division of Family Services for the Christmas basket we gave to the needy family, and from Debbie Wrinkle for the flowers we sent her in the Hospital.
2. The club received some catalogs from C and P Reproductions, and some more were requested.
3. A motion was made and carried to get our name on the calendar at the Boy's Club for December 12th 1981, for our Christmas Dinner. This was done to assure us that we will be able to have it on Saturday instead of Friday.
4. The Club also received thanks from the Nixa, Mo. Christmas parade committee.
5. Wendell Royster gave a short summary of the preparations for our fun run. (These preliminary preparations were also in last month's newsletter.)
6. Shirley Close reported that the club had placed third and fourth in the first two CCA turn-ins, for

1.

a total of \$50 so far.

7. A motion to have some new club caps was made, and there is a notice later in the newsletter concerning this matter.

8. The club voted to assist the Kansas City and St. Joseph clubs with their run if our assistance is needed.

9. The club voted to have a 50's party on April 12th. Gene Wright and Myrtle St. John are in charge of the party.

10. The club also voted to sponsor a trophy at the St. Joe Fun Run if we are asked again this year.

* * * * *

NEW CLUB CAPS

A motion to have additional club caps made was discussed at the January club meeting, since we are now completely out of the original order. After this discussion it was decided to have anyone who wants a new cap (these will be identical to the old caps) should let Karen Bradley know at the February meeting. The club would then order as many caps as are wanted, or maybe a few additional caps, then when the new caps arrive, those who ordered them would then be liable to pay for them at that time.

We decided to do it this way so that a large part of the club treasury would not be tied up for any length of time, since we are going to need it for expenses in connection with our upcoming fun run.

So anyone who wants a new cap should let Karen Bradley know at the February 22nd meeting, or by some other means so that we can get them ordered. The cost will be between \$3.25 and \$3.50 each.

CLUB TRAILER UPDATE

I know that many of you have been waiting breathlessly for this following bit of news. Well far be it from me to disappoint anyone or deprive a single person of the following bit of journalistic history.

Contrary to popular belief, we sometimes do accomplish a bit of progress on the club trailer from time to time. (Through no fault of anyone present at Gene's garage on Wednesday nights.) For example, take Wednesday night, February 4th. Apparently Avery Bradley had recently acquired a skill saw and wanted to try it out, and as a result the club trailer now has 3 sides and a floor.

Despite the efforts of everyone concerned (and several trips to the Brown Derby) the trailer may be ready for the summer of '81 after all.

GITTY GRINBER SANDWICH RECIPE

The following recipe comes from LeAnn Prier. These sandwiches are great for times like Saturday evening supper or for small parties or just for something a little bit different every once in a while.

1 loaf of French bread
Approximately 2 pounds of ground beef
Paprika (LeAnn says to use quite a bit)
Garlic (to taste)
Celery Salt (to taste)
Chili Powder (one to two teaspoons)
Salt and Pepper (to taste)
1 can of Pizza sauce
Cheese Whiz
Shreaded Mozzarella Cheese
(One package of Chili or Taco seasoning can be substituted for the seasonings)

Brown the ground beef in a large skillet, adding the seasonings and pizza sauce to the beef and let it simmer for several minutes.

Slice the loaf of french bread lengthwise (like you were making a sub sandwich) and spread a layer of Cheese Whiz on the bottom half. Spoon the ground beef mixture on top of the cheese, then top that with a generous amount of the mozzarella cheese. Place the top half of the bread on top of the mozzarella and spread some butter on top of the sandwich and place it in a 350 degree oven until the cheese melts.

3..

Classic Chevy Car Club Newsletter Archive – February, 1981

Remove the sandwich from the oven and slice it into 4 to 6 individual sandwiches and serve.

LeAnn says she sometimes uses a mixture of ground beef and hot sausage instead of ground beef plain.

If you want an opinion as to how good these super sandwiches are, just ask Mike or Jerry Prier or Bud or Gene or yours truly how well they like them.

KANSAS CITY WORLD OF WHEELS CAR SHOW

Several members of the Classic Chevy Club of Springfield, Mo. travelled to Kansas City, Mo. on Saturday January 24th to attend the annual World of Wheels Car show there.

Gene Wright, Bud Janes, Kenny Hurley, and Dave Marek all went up together, and Charlie and Helen Hurley went up in their car. Avery and Karen Bradley went up Friday evening to visit friends and view the car show. Bobby Goss went to Kansas City with a friend of his that had a car entered in the show. Collectively the Springfield Club had quite a contingent attending the show.

There were approximately 230 cars in the show, everything from new cars, Classic Chevies, Street Rods, early style custom cars, antiques, vans, to trucks and motorcycles. The Kansas City Classic Club had a very impressive club exhibit, complete with an appearance by Clint Hurdle of the Kansas City Royals baseball team.

Besides the array of beautiful cars there were other attractions, like appearances by James Best, better known as Sherriff Roscoe P. Coltrain, and "Bowser" of Sha Na Na fame, and a super 50's style rock and roll band called Wedsel's Edsels.

I think everyone who went enjoyed the show, and the chance to visit with the many friends from the Kansas City area who are involved in automobile related hobbies, including many who visited Springfield when we had our regional convention.

P.S.. I would like to add that Jerry Prier and Tony Miller also went with Bud, Gene, Kenny, and Dave. Sorry bout that guys, its getting kinda late in the evening and the old brain isn't working too well.

SUMMERTIME ACTIVITIES

It's hard to imagine that spring will be here before long when the temperatures are down around zero, but it's true, and the time has come to start thinking about places to have our meetings during the summer.

If I'm not mistaken, we usually make our annual trip to the Red Barn Resteraunt in March or April, so we will have to start making plans for these meetings at the February club meeting. There are lots of places we can go this summer, so lets see if we can come up with some good new ideas.

* * * * *

CCA POINTS

At the last club meeting Shirley Close reported that we had finished fourth at the first CCA turn-in and placed third at the second turn-in for a total so far of \$50 for the club treasury. Since that meeting there has been one more turn-in and we again came in third, adding another \$30 to the treasury.

I'm sure we could do better than this if we just try a little harder. That extra \$10 or \$20 each time could add up over a period of time and make a lot of extra coins in the bank for the club.

So don't forget to bring your receipts and bottle caps and milk carton tops, etc. to the club meeting, and talk to your friends and neighbors and relatives and try to get them to save some of these things for you.
