FROM THE EDITOR

Now that our Fun Run is over and done, our next objective will be the election of new club officers at the August meeting. All I can say is if you would like to hold a position as a club officer or write the newsletter, let someone know so that you can be nominated for that position. Time and time again people have been elected to a position they didn't really want, leaving out someone that would really like to be an officer. Don't let that happen this year. Speak up - that's all you have to do. Another thing to remember: it's really unfair to keep on electing and reelecting people who have been officers in the past. Give them a break and let's elect some new faces. New faces sometimes bring on new ideas and isn't that what keeps a club interesting and progressive? Be thinking about this. Talk to each other and remember: don't be afraid to get yourself elected. Who knows? You may be the one that helps the club the most during the coming year.

THE PREZ SEZ. . . .

Well folks, we pulled off a very good run again this year. People did enjoy themselves and that's the name of the game when you host a fun run. Now I would like to thank everyone of you that worked that weekend because work it was and more heat than was needed.(But no rain!!) A special thanks to Derald St. John for heading up the Fun Run this year. The cruise and dance were super!

People, there are enough plaques (dash) for those who either entered the Show and Shine or worked on the Fun Run. This run was put on by two-thirds of the membership. I would have liked one hundred percent, but in reality that will never happen. For you that worked, my true thanks and in case you feel it was not worth it, a letter came Tuesday that for me was all I needed to know my sweat and long hours were worth it. I quote from Mike and Nancy Sam Miguel: "My wife and I wish

Classic Chevy Car Club Archives

to thank you for making our anniversary very special. First my entire family had a great time in your city and secondly, your award at the dance for our anniversary was very thoughtful and very much appreciated. Thanks for a great Fourth, a great car show, and a great time. Sincerely, Mike and Nancy Sam Miguel".

If you still need a reason for why you worked your tail off, then I can't give you one.

-Wendell Royster

A NOTE FROM DERALD ST. JOHN

At the close of another Fun Run it's time to extend thanks to all committee heads and each person helping under them. Many hours were put into the Fun Run by all.

Thanks to all club members and many businesses for a good variety of door prizes. After hearing comments from the visiting clubs and Steak and Shake, it seems our new idea of a Fifties cruise to a hamburger joint went over great. Maybe we will see more of this at other meets instead of the Poker Run, avoiding so many people getting lost.

Body and frame must be as manufactured. Replacement of safety items such as glass, exhaust system, shocks, etc., is allowed. Original drive train (engine, transmission, rear end, and suspension) must be retained, with necessary rebuilding allowed. If engine serial number, body number, or engine suffix (letters) is incorrect or does not exist, zero points will be given for engine, engine compartment only. Interior materials may be repaired or replaced with duplicate original or exact reproduction. Not to exceed 25% of total area of interior. Exterior (body and paint) may be repaired or repainted, not to exceed 35% of total of exterior, paint must correspond with cowl tag paint number if vehicle is painted any other color than is indicated on the cowl tag, zero points will be given. 25 points will be deducted from total score for trailered.

RESTORED--ORIGINAL

Body and frame must be as manufactured. Original type drive train (engine, transmission, rear end, and suspension) must be retained, with necessary rebuilding or replacement allowed. Engine in vehicle must correspond with engine letter in body serial number. Wrong engine will receive zero points. Exhaust system will be judged as follows: No glass packs, no shortened tailpipes, correct exhaust manifolds, original type muffler, and correct hangers--for all three years. Replacement of entire interior with duplicate original or exact reproduction material is allowed. Body work and complete paint is allowed as long as correct paint colors are used in conjunction with paint number on cowl tag. Rechroming of existing original interior and exterior chrome and/or reproduction chrome is allowed. 25 points will be deducted from total score for trailered.

A MODIFICATION CONSTITUTES ANY CHANGE FROM ORIGINAL ENGINE, ORIGINAL UPHOLSTERY AND INTERIOR, OR ORIGINAL PAINT AND BODY.

- (1) Engine and/or drive train--Example: If engine is not correct for the year model.
- (2) Upholstery and/or interior--Example: If interior does not match cowl tag paint number.
- (3) Body and paint--Example: If paint does not match cowl tag paint number.

SEMI-MODIFIED

This class must have two (2) modifications in any of the three major components: 10% will be deducted from total score for each modification beyond the two allowed. 25 points will be deducted from total score for trailered. No sheet metal modifications allowed. Any type wheels and tires permitted.

MODIFIED

This class must have three (3) modifications in the three major components 10% will be deducted from total score if vehicle has extensive sheet metal modifications: Minor sheet metal modification are allowed as long as original body lines are retained. 25 points will be deducted from total score for trailered. Any type wheels and tires permitted.

ALL ORIGINAL, SEMI-MODIFIED, MODIFIED: CLASSES WILL BE SEPARATED INTO 1955, 1956, 1957: 1-2-3- PLACE TROPHIES IN ALL THREE YEARS.

CUSTOM

This class is for '55, '56, '57, all body styles in competition together, no year separation, only one trophy will be awarded: Best overall custom. This class must have complete modifications in three major components plus extensive detailing of undercarriage. A modification constitutes a complete change from original engine, original upholstery and interior, or original paint and body.

EXAMPLES:

- (1) Complete detailed underside-sheet metal and chrome
- (2) Complete exterior change
- (3) Complete interior change
- (4) Complete engine change
- (5) Suspension modifications, such as disc brakes and independent rear suspension
- (6) Chroming of suspension parts
- (7) Custom painting of floor pan
- (8) Sheet metal modifications

VEHICLE MAY BE TRAIERED, NO POINTS DEDUCTED

CORVETTES

Corvettes will be in competition together: No years separation. 1st, 2nd, and 3rd place will be given.

PICKUPS AND/OR TRUCKS

These will also be in competition together: No year separation with 1-2-3 place trophies awarded.

FROM THE EDITOR

As most of you know, along with the election of new officers we elect a new newsletter editor and staff. At this time I'd like to thank each person who helped contribute something in some way to the newsletter of the past year. To have a good newsletter sure takes good help and I don't think I could have had any better. Just to remind you again who these people were their names are Cheri Bradley, Charlie and Kenny Hurley, occasionally Bobby Goss and Dave Marek, and of course who could miss the efforts of Earl Morgan who drew the newsletter cover. To each one of these people I want to again say "thanks". Without your help we would not have had such a good newsletter.

Now about these upcoming elections. Here is a golden opportunity for some of you that felt you had better ideas or thought you could have done a better job. Here's your chance to get yourself elected to an officer's post. In other words (maybe a little bit plainer), either put up or shut up!

To be a healthy, strong club we need unification. You know, all of us pulling together for some common goal. From time to time it has been said that the club is run by certain clicks or that the same people seem to always be running things. These so-called "clicks" or these "some people" are usually the only ones who will do for the club instead of just talking about it. So what are YOU going to do this next year? Talk about it or DO IT?!

- Don White #5070

* * * * *

THE PREZ SEZ.

My year is over, yet not all is done. But then hopefully, it never will be. Because without a challenge, the club will not continue to grow over the years. We've grown and expanded beyond anything the club started out as. We are nationally known for our Fun Run and a most memorable Regional.

We started a project to build and give a car away next Fourth of July Fun Run. We build a trailer for members to use for various runs and events. Had a newsletter to keep us up on the events, along with advertisements to keep down the cost. There was repeated art work from members present and past.

To the officers who helped me operate the club as per the by-laws and members vote, remember: the membership votes on it, we just guide and advise. I thank you all for your support throughout the year. A really special thanks to those who made up the Bow -Tie News. Your hours are much overlooked and the value of the news undermined. (cont.)

Classic Chevy Car Club Archives

Over the years I've traveled many miles, enjoying the events with local and other clubs all over the States, and to me that's what it's all about. The only thing the local or national club ask is that you be enthusiastic over the classics to be a member. People, I hope you will continue to share this rare quality where money, job, etc. means nothing as to the enjoyment.

In closing, those of you who are lucky and willing to be officers this year, we'll put that little extra time to keep this one of the most outstanding club around. Please remember the only thing that stops us is ourselves. Set your goals and beat them.

With much thanks to all and hope for an even bigger and better year to come!

-Wendell Royster

JULY MEETING

The July meeting of the Classic Chevy Club of Springfield was held at Phelps Grove Park with Wendell Royster presiding. Robin Goss gave the treasurer's report of a July balance of \$483.23. The minutes of the June meeting were read and approved.

OLD BUSINESS- Wendell thanked everyone who helped at the Fun Run. Avery reported that Claude got a 1st place, Greg got a 2nd place and Tom Ray got a 1st place at the National Run in New Orleans.

NEW BUSINESS - The club banquet will be held September 11 at Drury Lodge with steak dinners at \$21.42 per couple. Drinks and cokes will range from \$.50 to \$1.50.

The club voted to do away with the August meeting. The next meeting will be September 12 at Wilson's Creek Battlefield. This meeting will also include the elections of officers.

A motion was made and seconded that we have a hayride September 25 at the KOA campground. Avery suggested having a small meeting at the hayride to discuss the starting of the club car.

Derald St. John reported that a few of our cars showed up at the Parkview 1957 class reunion on July 10. The club was donated \$50 from the class of '57 for being there.

Wendell reported on the possibilities of getting liability insurance through the national club for around \$100 per year. We will hear more from the national club later.

Meeting adjourned.

ABOUT THE COVER

For those of you that read this thing, I'm sure you must have noticed the great cover. Earl Morgan graciously spent a lot of his time creating this, and I just couldn't not use it for the newsletter cover. As most of you know, I believe "if it's better, use it!" Right? So I did.

I hope you appreciate Earl's work as much as I do. How about giving him an honorary one year membership for his efforts?

From The Prez.

As I start my year in office, I would like to thank the officers and newsletter staff from last year for the great job they all did. As most of you know, the club car is started. We are meeting on Monday and Wednesday nites at Gene Wright's garage between 6:30 and 7:00 to work on the car. There are still lots of parts we need. If you have something you can donate, it would be a big help, plus save on the cost of the car.

Many activities are in the planning stage for the coming year. If you have an idea, speak up at the next meeting. I hope we can have a growing and fun year. Remember we need everybody to help and make this a great year.

Greg Sweet

Reminder: For you new club members:

When your name is called answer yes if you drove your classic.

This is 3 points towards most dedicated member.

If you did not drive a classic, answer no.

This is 1 point towards most dedicated member.
