Members are asked to not pick up dash plaques when they register. If there is not enough more will be made for all members who work on the run. It was decided that only non-members will be eligible for door prizes.

The motion was made and seconded that before the hardtop is given an announcement should be made that in the event any new member bought a chance before joining the club and their name is drawn the decision will be left to their own discretion as to whether or not they accept the car or allow another name to be drawn.

Greg will get tickets for the 50-50 pot. \$20, \$15, and \$10 will be given on the poker hand. Greg will also be responsible for getting the sound system and if possible a PA system.

Well all I can say is I'm glad it's over. I think we had a fairly good run and those that attended went home happy. I would like to thank everybody who helped during the run. The 55 went to Richard Wells and family, who bought the winning ticket at the North Town mall show, from Brenda Whitescarver. Since Feb. , they have joined the club and own a 56 Belair 2dr. hardtop. There garage is now full of classics. Those showing and winning awards were, Claud and Lynn Roderique, 1st 57 mod., Jamie Whitney, 3rd semi-mod., Bob and Martha Sanders, 3rd, unrestored, Ron Manley, 1st Truck, Paint, and Engine, and Russ Manley 2nd 55 mod. I think the cruise and T V coverage was great. Steak and Shake wants to do it again real soon. Thanks again to every body.

On a hot Sunday several members loaded up and took in the dealers show at Pittsburg. The main draw was and 84 vette, but the Classics pulled more than there share of looks. Ther was around 50 to 60 cars there and they awarded the 15 best cars trophies. Those receiving trophies were Avery and Karen Bradley, Greg Sweet, Wendell and Jan Royster, Bob and Martha Sanders, and The James Arnolds who's sweet little red conv. stoled the show and won peoples Best of Show. Kenny Hurley and Karen drove the 55 to sell tickets. It was a very enjoyable day.

Marshfeild 4th of July Parade

At 8;15 Mon. July 4th it was raining so hard that the back of my wagon looked like a lake, and Wendell bailed 3 gals. of water from his carpet, but we made it to Marshfeild where Bob abd Martha Sanders and Avery and Karen Bradley were waiting. They postponed the parade till 12;30, it quit raining hard and we went along in the line. I guess it was worth it, since the club won 1st. place and 50.00 check for best antique.

Okay one more month and I leave office. It's been and exitting year and alot of hard work. but I've enjoyed it overall. Be thinking on new officers for the coming year. HOUSE OF SOUND "CRUISE-IN"

SUNDAY JULY 17, 1983

LOCATION: Brentwood Shopping Center (2600 & 2700 blocks S. Glenstone)

TIME: Noon until 6:00 PM

Planned events:

1. House of Sound "Project Car" challenge.

Anyone with a car stereo system is invited to "challenge" our project car "just for fun". Challengers will receive a special T-shirt for their participation.

2. "CRUISE-IN RESTAURANT". A charitable organization will furnish and staff a mobile restaurant serving hot dogs and soft drinks. Skaters from Skateport will serve as carhops (on roller skates) to take orders and deliver food and drinks. This will be set up like an old-fashioned drive-in.

3. House of Sound "Old T-shirt contest". We have used many varieties of T-shirts over the last fourteen plus years. This is to see how many of them we can get on display at one time. There will be prizes for the oldest (by time period) and most unique shirts worn.

4. Remote radio broadcasts from KGBX, KWTO-FM and KTTS.

5. Car Show. Several car clubs are planning to have a show or special event during this promotion. The new SOUTHERN MISSOURI MUSTANG CLUB and the OZARK MOUNTAIN REGION, Sports Car Club of America have already indicated participation. Other car clubs and groups are still being contacted.

GENERAL: This is not a "selling event". It is an opportunity for people of all ages, who have an interest in car stereos and cars in general, to get together for an afternoon of fun and conversation. We are still working on additional activities to make this an afternoon to be long remembered by everyone who attends.
