FROM THE EDITOR

This month's newsletter cover shows a whole new look. I know it's a lot more than was expected, but it's really super, isn't it? I felt it was time to give this newsletter a real newsletter cover. The old cover was made in 1976 for a club in 1976. Now, in 1982, I think it's time we have an updated cover to go along with such a much better club. A club that grows and improves with time will always be a strong and prosperous organization. Don't you think so?

On another subject, echoing something mentioned at our last meeting: Attending some of these area runs could be very important to the success of our own Fun Run this July. Members, if we try to attend as many local runs as possible, do our P.R. work to encourage people to attend our run, and be there at their runs, all this will certainly have an effect on our run's success. You know that ole saying "Pat my back and I'll pat yours". Think about it.

-Don White-

THE PREZ SEZ

Members, we have a car to build. I mentioned at the last meeting, the most needed are parts, such as front clip, bumpers, doors, front seat, motor and transmission. These are for a '55 hardtop. If you have any parts and want to help us out, please let Gene Wright know what you have. The more we can scrape together between us, the less we are out on this project. Don't worry, there will be work for everyone who comes to work. Anyone can clean and carry parts at least.

The meeting at Greenfield was quite an event with the belts stretched to the limit by the time we passed over the ice cream stand of Hembree's. (And we would like to thank you again for all the goodies!) But a little more attention and input on meetings would be nice. When people don't respond to either side of an issue, it means one of two things; either you don't care or you weren't listening. Or worse, both.

People, be thinking of the office you might want to hold or of someone you know that would. The officers are more and more important as we grow and expand to the unlimited abilities we can have. The offices need the personnel who will give that little extra (sometimes a lot of extra!) to get things done. But done they must be.

The ideas and people in the club are, at the least, complete; we have people into everything and with every talent. So pick your people. There are plenty who will help others, and we can share. Let that person know you need his or her help, and what you want to do and learn. Find that person and share some time on a project. Next thing you know, there will be one more person that can do a job.

-Wendell Royster-

ABOUT THE MEETING

The March meeting of the Classic Chevy Club of Springfield was held at the Red Barn in Greenfield with Wendell Royster presiding and forty-three members in attendance. The minutes of the February meeting were read and approved. Robin Goss gave the treasurer's report of \$70 paid out, \$213.50 brought in, leaving a balance of \$602.32.

New Business

There are lots of activities planned for April and May. (See Upcoming Events calendar for listing.)

Motion was made and seconded that we move our meeting time up to 4:00 p.m. for the summer months starting with the April meeting.

Motion was made and seconded to drop CCA for the coming year. Therefore, another motion was made and seconded to raise the club dues to \$12.00 a year to help cover some of the loss from CCA.

The time for the next board meeting was set for 7:00 p.m., April 22 at McDonald's on Battlefield. The next regular meeting will be held at 4:00 p.m.,

The Club Classic

To get things kicked off, we need doors, a front clip, a front seat and bumpers, plus many various parts. Members, this car is being built with parts and labor supplied by you. Remember, the idea is parts donated. Gene donated the car, Dave McHenry donated the paint job. Surely we can dig up a few parts and donate them, can't we? This is your chance to really do something for the club.

People in our club will be excluded from the drawing by popular vote at the

Classic Chevy Car Club Archives

THIS 'N THAT

Starting this August, all local dues will be raised from \$10.00 per year to \$12.00 per year per family.

Next year, our club will not, repeat, will not participate in the CCA points drive. Hopefully, the extra income from the dues hike will make up for some of this loss of funds.

Cheri Bradley will be heading up the dance committee for the July Fun Run. Anyone with suggestions is welcome to contact her.

HOW TO BE AN OLD CAR OWNER'S WIFE

Get a job, preferably two jobs.

Throw all unnecessary food out of the refrigerator, replace it with beer.

Have a portrait of your husband made. Place it in a prominent place in your home. Show it to your children often so they don't forget who their father is.

Notify all friends and family that until further notice, all "HIS" mail, cards, packages, etc., should be addressed to the garage.

Stock up on "grab-me-something-to-eat-real-quick-will-ya" foods so that malnutrition doesn't set in.

Send him an inter-garage memo twice a week concerning the possibility of sleeping, but don't expect any immediate results.

If he leaves to chase parts on Saturday morning, place a name tag on his t-shirt with his address, phone number, and the month and year on it.

Notify him twice a month of any deaths or serious illnesses in the family.

Stock your wash with Spray-n-Wash. In case of emergency, buy a shovel and select a site in your yard where you don't plan on growing anything for many years. Spray-n-Wash can't work miracles.

If your husband has a "clean-up job", stock his bathroom with the following items: paint remover, a wire brush, Lava, a Safety-Kleen parts washer and Naval

Classic Chevy Car Club Archives

Jelly. Place newspapers on the floor to strategic areas of your home from the garage. Suggested paths: refrigerator, bathroom, telephone and bedroom. The path to the bedroom is optional and deemed unnecessary in most cases.

There is an alternative to this: put on your grubbiest clothes, throw caution to the wind, forget your manicure and get out there and help. Have fun and get covered with grease and gunk. If you do this, you will need two bars of Lava, two wire brushes, etc.

EDITOR'S PAGE

I would like to say "thanks" to member Charles Hembree for treating us to ice cream and soft drinks at his drive-in after our meal at the Red Barn. Charles has done this for a few years in a row, his way of contributing something to the club. Thanks again, Charles. Oh, by the way, we'll all be back next March!

Is everyone about ready for the run in Tulsa May 15-16? You might give this one a try. It's a very pleasant drive, all good highway, plenty of places to get eats and drinks. It's also a nice time of the year to get that classic on the road again. By the way, if you miss this one, the run in Kansas City, MO is May 29-31. It's always a barnburner. See you there!

-Don White-

THE PREZ SEZ. . . .

For the Tulsa Run, we will be leaving from Payless Cashways at 5:30, Friday, May 14. We will eat at the Glasshouse or half way so don't worry about supper. The club trailer will be there if you need some room in your car.

Because of the Kansas City run, our May meeting will be moved up to Sunday, May 23 at 4:00 in Phelps Grove Park. ATTENTION: The board meeting will be held Wednesday, May 19 at 7:00 in McDonald's on Battlefield. Please note, the time is getting short in planning for our own run in July. Please make sure your part or act is together; goodie bags, trophies, and dash plaques will have to be put together.

May will be a very busy month: two runs and the House of Sound "Sound Off Day" on May 22. June will be get-it-together month for our 4th of July run. (Note: WE will be the ones putting it on.)

Fun Run shirt transfers will be here in a few weeks and Don and I would like you to buy yours early to help offset the cost. We will let you know the date and price later.

PREZ SEZ....

Well, here it is June. The month I said would be easy. (If you consider running around like crazy EASY!) The weeks are few, but we still have a lot to do. June 17, we are going to fix up goodie bags and have trophy sanding at Gene's garage. All questions are to be solved that night. We will need everyone's help at the garage this night. This is something the women can help with, too.

There will be a board meeting June 24 at McDonald's. All committee heads and interested parties must attend.

-Wendell Royster

FUN RUN NOTICES

People who are not on any committee but would like to help, please contact any committee head, Derald St. John, or Wendell Royster. We are going to need people to run errands and do leg work. We now have only a few weeks left; sure could use your help.

All the people in our club are asked to wear a blue t-shirt at our own Fun Run this year. This is so visiting people will be able to pick us out of the crowd if they have any questions or problems. T-shirts with the Fun Run logo will be available through the club. Member price will be around \$5.00. That price does make the club a little profit and believe me, we're going to need it.

Members, if you know anyone or company that would contribute a door prize, please get them. Archie Griffin, head of door prizes this year, needs the help. How about every member in the club trying to get at least one door prize secured before the monthly meeting at the end of June. Oh! And be sure to bring those prizes to the meeting. Be sure to include the contributor's name so we can announce it when the prizes are given away.

We plan to change the poker run this year from the usual driving type to the best poker hand in a car's serial number. This will speed things up a couple of hours, allowing us to start giving away door prizes about 1:00, awards around 2:00, getting us all out and on the road around 3:00 Sunday afternoon.

MAY CLUB MEETING

The May meeting of the Classix Chevy Club was held at Phelps Grove Park with Wendell Royster presiding.

Robin Goss gave the treasurer's report of \$745.00 in the club account.

The minutes of the April meeting were read and approved.

Wendell reported that the club made \$160 profit from our booth at Nixa's Sucker Day. Also, the House of Sound will furnish the club with a stereo system for the club car. Wendell thanked everyone for attending the House of Sound's Sound Off Day.

NEW BUSINESS

June 17 there will be a board meeting and goodie bag stuffing at Gene Wright's garage starting at 7:00 p.m.

June 24th will be a second board meeting at McDonald's on Battlefield at 7:00 p.m.

Regular monthly meeting will be held June 27 at 4:00 in Phelps Grove Park.

The club voted and passed that all members will wear blue t-shirts at the Fun Run this year.

Cheri Bradley found a D.J. from KGBX, Michael Roberts, who will play for 4 hours at our Fun Run dance.

Wendell announced some prices on wooden classic items and classic mugs. Anyone interested can see Wendell for a price list.

Meeting Adjourned.

OKIE SPRING FLING

The Okie Spring Fling was more like the Okie Spring Shower. It rained from the Missouri-Oklahoma border all the way to Tulsa, nearly 100 miles of torrential downpour. Those who braved the journey were Greg and Marilyn Sweet, Claude Roderique, Wendell and Jan Royster, Kim and Cheri Bradley, Terry Bradley and friend Carol Brewer, Dave and Kim Bush, Bob and Robin Goss, Bob and Martha Sanders, Karen Roderique, Dave Marek, Bud Janes, Gene and Wilma Wright, Kenny Hurley, new member Tom Ray, the Wade Tilton family, and Don and Sylvia White. Avery and Karen Bradley, Charlie and Neal Criswell, along with James and Ruby Arnold cruised in on Saturday morning.

One of the real highlights of this run was the giving away of a 1957 Chevy. It was won by some lucky soul in Oklahoma.

Saturday morning began with the sun shining, a real welcome sight. Everyone cleaned and spit shined their classics preparing them for the show and shine event. During the show and shine, there were games for young and old alike; a spring toss, can stacking and wrench toss. Matt Bradley won the jelly bean count and also the can stacking contest for his age group. Christy Bush won the wrench toss and can stacking for her age group.

Members who placed in the show and shine were Wendell and Jan Royster - 2nd Truck; Greg and Marilyn Sweet - 1st Wagon; Avery and Karen Bradley - 1st 56 Restored; Kim and Cheri Bradley - 2nd 56 Modified plus 1st 55 Unrestored; James and Ruby Arnold - 1st 55 Restored; Claude Roderique - 3rd 55 Modified; Bob and Robin Goss - 2nd 56 Custome; Archie Griffin - 3rd 57 Modified; Don and Sylvia White - 1st 55 Modified. Our club also won the club participation award.

We all had a good time. There were plenty of nice cars to look at and we'll all be back next year.

Once again it rained and rained and rained and rained some more. I'm beginning

to think we should just put rain on our schedule of events. Saturday was the only day it was nice, so we all really got to clean our classics for show and shine Sunday morning. The only real excitement the entire weekend came when member Gene Wright nearly got arrested for an armed robbery of a K-Mart store. Better ask Gene to explain this one. Monday morning began with rolls and coffee (and rain!), which moved into door prizes (and rain!) which moved into the awards presentation (and more rain!). The awards went something like this: Bob and Robin Goss - 1st 56 Modified; Claude Roderique - 2nd 55 Semi-Modified; Wendell and Jan Royster - 2nd Truck; Archie and Pam Griffin - 1st 57 Semi-Modified plus the Best Paint award; Greg and Marilyn Sweet - 2nd 56 Semi-Modified; Kim and Cheri Bradley - 1st 56 Restored plus 2nd 55 Unrestored; and Don White - 1st 55 Semi-Modified. We all had a real good (and wet!) time. Sure wish you could have been (splash!) there.
