JOPLIN, MO. FUN RUN 1980

The weekend of April 12 and 13 was a long, cold, windy one for several members of the Classic Chevy Club of Springfield, but for most of them it was worth it.

Saturday morning found Jan and Wendell Royster, Gene and Wilma Wright, Bobby Goss, Bud Janes, and Dave Marek all headed for Joplin for the Southwest Missouri Classic Chevy's Limited's 1980 Fun Run. When they arrived at the Holiday Inn, headquarters for the activities, they found Charlie and Helen Hurley had arrived just a few minutes ahead of them.

Following a short trip inside to get registered it was back out to the parking lot to get the cars cleaned up for the Show-n-Shine. With the wind blowing about twenty miles an hour and temperatures in the 30s, cleaning the Classics was more of a chore than usual. Following this, some of the braver souls stayed outside to look over the cars from the other clubs while trying to stay out of the judges' ways. Judging was held both Saturday and Sunday, and you could choose which day you wanted to be judged, so there were several more cars that showed up Sunday morning, one of those being Derald St. John.

Because of the weather, some of Sunday's events were moved ahead so that everyone could get an earlier start home before it got really bad. The awards ceremony was held about one o'clock. Trophy winners from the Springfield Club included Wendell Royster, best Truck; Gene Wright, best Corvette; Bud Janes, 2nd in 55 Semi-modified; Bobby Goss, best 56 Modified; and Derald St. John, best 57 Semi-Modified.

REGIONAL MEETINGS

With the Regional a month away it was decided to hold extra meetings. The dates are May 18th (after the regular meeting), June 2nd, and June 9th. The two meetings in June will be held at McDonalds on Battlefield at 7:00.

MEETING-MAY 18

For the May meeting we are going to Bolivar City Park. We will have a picnic after we arrive and each member is responsible for their food and drinks. We will meet at Wal-Mart on Kearney & Kansas and leave at 12:30.

MEETING OUR MEMBERS

Vernon and Sharlet Leppert are a couple of "oldtimers" with our club, being in it from the beginning.

They live in Springfield along with their two boys Michael (3) and Shawn (6).

Vernon works at Dayco and Sharlet is a housewife. When he's not tinkering with the old Chevy Vernon likes to go bowling and once in a while throw a line in the old river and hook a bass or two. Sharlet also enjoys bowling in her spare time.

Since joining our club Vernon and Sharlet have owned about five different Classic Chevys of all three years.

First was a '57 Bel Air two door hardtop, a '55 Convertible, a '56 four door hardtop, a '56 Convertible, and their latest project, another '56 four door hardtop. Their latest Classic was obtained in Purdy, Mo. in January of this year.

So far they have installed new ball joints in the front suspension and bought new tires, new glass, rechromed the bumpers, and stripped the rust free body to bare metal in preparation for the green and white two tone paint the car will be painted.

It will have an original appearance when finished except perhaps for the interior.

The little '56 is powered by the old reliable 265 hooked to a powerglide transmission.

It sounds like Vernon and Sharlet are doing their best to make this car a real nice one. I hope they can get it finished by Regional time so they can show it off!

DUES

The following members have not paid their dues. Please do at the next meeting or send to Dorcas Sears, 104 N. 8th St., Ozark, MO 65721. At the January meeting all the members voted to pay dues in April so we would have the money in the account for the Regional, the anniversary date will remain in August.
