D-Day Observance, June 6, 2021

D-Day is observed in the U.S. in memory of the Normandy landings in France on June 6, 1944, in which American soldiers and other Allied forces fought to end World War II in Europe.

Is D-Day a Public Holiday?

D-Day is not a public holiday. It falls on Sunday, June 6, 2021 and most businesses follow regular Sunday opening hours in the United States.

Arromanches, on the coast in the heart of the Normandy landings in France.

What Do People Do?

Some museums and war memorials host exhibitions featuring photos and film as a tribute to soldiers who were part of the Normandy landings. D-Day memorials and ceremonies are also held to remember these soldiers.

Public Life

D-Day is an observance and not a federal public holiday in the U.S.

Background

About 160,000 Allied troops landed on the beaches of Normandy, France, to fight Nazi soldiers on June 6, 1944. General Dwight D. Eisenhower called the operation a crusade in which “we will accept nothing less than full victory”. More than 5,000 ships and 13,000 aircraft supported the D-Day invasion, and by the end of the day, the troops gained a foothold in Normandy. Thousands of soldiers lost their lives, but thousands more trekked across Europe to end the war. The invasion is one of history’s most significant military attacks.

People across the United States celebrate Flag Day on June 14 each year to honor the United States flag and to commemorate the flag’s adoption. On the same day, the United States Army celebrates its birthday.

Flag Day June 14, 2021

Is Flag Day a Public Holiday?

Flag Day is not a public holiday. Businesses have normal opening hours.

Flag Day USA

Flag Day honors the United States flag.

What Do People Do?

Flag Day falls within National Flag Week, a time when Americans reflect on the foundations of the nation’s freedom. The flag of the United States represents freedom and has been an enduring symbol of the country’s ideals since its early days. During both events, Americans also remember their loyalty to the nation, reaffirm their belief in liberty and justice, and observe the nation’s unity.

Many people in the United States honor this day by displaying the American flag at homes and public buildings. Other popular ways of observing this holiday

include: flag-raising ceremonies; Flag Day services; school quizzes and essay competitions about the American flag; musical salutes; street parades; and awards for special recognition.

Organizations such as The National Flag Day Foundation are actively involved in coordinating activities centered on the event and keeping the flag’s traditions alive. Following Flag Day is Honor America Days, a 21-day period through to Independence Day (July 4) to honor America. During this period, people hold public gatherings and activities to celebrate and honor the nation.

Public Life

Although Flag Day is a nationwide observance, it is not a public holiday in many parts of the United States. It is a legal holiday in a few areas in the USA, such as Montour County in Pennsylvania.

Background

On June 14, 1777, the Continental Congress replaced the British symbols of the Grand Union flag with a new design featuring 13 white stars in a circle on a field of blue and 13 red and white stripes – one for each state. Although it is not certain, this flag may have been made by the Philadelphia seamstress Betsy Ross, who was an official flag maker for the Pennsylvania Navy. The number of stars increased as the new states entered the Union, but the number of stripes stopped at 15 and was later returned to 13.

In June 1886 Bernard Cigrand made his first public proposal for the annual observance of the birth of the flag when he wrote an article titled “The Fourteenth of June” in the old Chicago Argus newspaper. Cigrand’s effort to ensure national observance of Flag Day finally came when President Woodrow Wilson issued a proclamation calling for a nationwide observance of the event on June 14, 1916. However, Flag Day did not become official until August 1949, when President Harry Truman signed the legislation and proclaimed June 14 as Flag Day. In 1966, Congress also requested that the President issue annually a proclamation designating the week in which June 14 occurs as National Flag Week.

The President is requested to issue each year a proclamation to: call on government officials in the USA to display the flag of the United States on all government buildings on Flag Day; and to urge US residents to observe Flag Day as the anniversary of the adoption on June 14, 1777, by the Continental Congress of the Stars and Stripes as the official flag of the United States.

Symbols

The American flag, also nicknamed as “Old Glory” or “star-spangled banner”, has changed designs over the centuries. It consists of 13 equal horizontal stripes of red (top and bottom) alternating with white, with a blue rectangle in the canton bearing 50 small, white, five-pointed stars. Each of the 50 stars represents one of the 50 states in the United States and the 13 stripes represent the original 13 colonies that became the first states in the Union.

Classic Chevy Club – Club Meeting/Dinner at Jose’ Loco’s

Over two dozen Classic Chevy Club members had dinner at Jose’ Loco’s on Battlefield on April 26. Our first meeting of the year was held at the same time. There may have been a record attendance or at least close to it for the dinner. (Thirty-one in all or thirty-two if we include David Eslick who dropped in on way to church). More about the meeting follows in a couple of pages. Follow the arrows.

Modeling the Latest Earwear

Jess Owen recently had ear surgery. Helen Fortner boosted his spirits by modeling the latest in auricles covers.

Vogue and Elle, both had auricle articles about this new trend in fashion design. Auricle, also called pinna, in human anatomy, the visible portion of the external ear, and the point of difference between the human ear and that of

other mammals. The auricle in humans is almost rudimentary and generally immobile and lies close to the side of the head. It is composed of a thin plate of yellow elastic cartilage covered by a tight-fitting skin. The external ear cartilage is molded into shape and has well-defined hollows, furrows, and ridges that form an irregular shallow funnel. The deepest depression in the auricle, called the concha, leads to the external auditory canal or meatus. The one portion of the auricle that has no cartilage is the lobule—the fleshy lower part of the auricle. The auricle has several small basic muscles that connect it to the skull and scalp. Generally nonfunctional in human beings, they are capable of limited movement in some people.

Jess is wearing the Gauze 1.0 design while Helen is modeling the Fuzz-A-Rator 2.0 Over the Head concept scheduled for release in December, 2021.

The covers were first worn in 1890 by Dutch post-impressionist painter Vincent van Gogh. See portrait to the right:

Another famous event, where auricle covers were mandated, took place on November 9, 1996, when Mike Tyson bit off part of Evander Holyfield's ear in a boxing fight.

NSRA Nationals

Emma Lazarus (1849-1887) is posthumously famous for her sonnet, "The New Colossus," which is engraved on the base of the Statue of Liberty. The poem was published in 1903 by the New York Times. The phrase **"Your huddled masses"** rang true for many of the 1000's that braved the brisk temperatures and wind gusts.

But all in all, it was nice to see a packed venue and a sense of normalcy it brought.

See the photos in the gallery below:

Attendee included Jack & Donna Wernet, CL Carter, Bobby Goss, Johnny Cox, Carl Schmachtenberger, Joel Chamberlain, Jake Lollar, Wendell Royster, Walt Kruger, Gene Putnam, Yvonna Davis, and Dave Walters.

Editor Note: I talked to Walt Kruger on the 1st and his health is improving. He was able to attend the NSRA Mid-America Nations this last weekend. Walt reported that 1,550+ cars participated over the three-day festival. His friends with the fairgrounds were thrilled that they had record attendance, too.

NSRA leadership surprised Walt by presenting him with a thank you plaque. A photo follows:

Father's Day Cruise-In at College of the Ozarks

The car show at [College of the Ozarks](#) is scheduled for [Father's Day](#), June 20. The show and buffet will be scaled back this year. For this reason, we will be allowed fewer cars than past years. If you would like to have your name added to the "Interested in Attending" list please send me an e-mail or text/call no later than June 1. I will get back to everyone by June 5 with the attendance list.

Faithers Day Cruise In

At a club meeting last year, I spoke about the College updating their car show criteria to include nicer older classics. For clarity's sake we are saying cars older than 30 years which aligns with the NSRA guideline. There will be newer exotic cars there but for the classics we will follow the 30-year guideline.

HAYRIDE-OCTOBER 13

Once again it is time for the hayride, which in the past 3 years has been one of our more enjoyable events. We will meet at the Git-N-Go on East Division and Packer Road at 6:30. The club will furnish the food and each member is responsible for their own drinks. The cost is \$2.50 per person and if you would like to bring a guest please do so. In case of rain we will have to set a new date.

OPEN BOARD MEETING-OCTOBER 17

Beginning this month the officers are going to start holding Board Meetings which will be open to any member who would like to attend. We will meet at 7:30 in the basement of the Olde Towne Flea Market, 600 Boonville, where the cafe use to be. Since all the furniture has been moved out please bring your own chairs.

Karl has just received word that Springfield will host the 1980 Central Regional. He would like for any member who wants to be on a committee or has any ideas please attend this meeting.

MEETING-OCTOBER 28

The place for the winter meetings has been changed. Ralph Wright has given us permission to use the basement (where the cafe was) of the Olde Towne Flea Market, 600 Boonville. Wendell had checked with the Sycamore Inn and they wanted us to guarantee that 20 members would eat after the meeting or it would cost \$35.00. We felt we could not guarantee that 20 people would eat each month plus we also felt we could not afford the \$35.00.

We will still meet at 4:00 and please bring your own chairs.

If all members agree the '50's Party will have to be moved up to the 3rd of November. If you plan to attend the '50's Party you will need to attend this meeting to find out all the details since there will not be a newsletter before the party.

MEETING OUR MEMBERS

Kerry and Debbie Wrinkle and their two sons Brad, who is 5, and Aaron, who is one, have been members of our club for almost a year now.

They live in Aurora, Mo. where Kerry has a body shop called (do you believe this?) Wrinkle Body Works.

Regardless of what the name implies, those of us who have seen Kerry's work know he does a first class job on anything he works on.

Kerry and Debbie own a '55 Nomad that they hope to complete by next Spring. They've owned this particular car for about two years and Kerry's been gathering Nomad parts for about the last five years.

Kerry's hobbies include quail hunting, cars, and racquetball. Debbie also enjoys playing racquetball and likes to sew.

Its always nice to have a body and fender man in a club comprised of old cars, and especially if he and his wife are as nice as Kerry and Debbie.

Gene and Wilma Wright and their two boys, Alpha (5), and Scott (3), have also been in the club for about a year.

Gene, otherwise known to everybody as Skitch, and Wilma live in Springfield, and are genuine, died in the wool car freaks from the word go. They enjoy everything from original restored classic Chevys to all out street rods.

Gene and Wilma own what probably everyone in the club would like to own, a '57 Corvette.

Gene is "semi-retired" and helps his brother out part time down at the Olde Towne Flea Market, which is fast becoming the official Classic Chevy Club

hangout, or is at least running a close second to the "garage" at Nichols and Broadway.

Gene probably buys and sells more Classic Chevys and other street machines and rods in a three month period than most of us do in a lifetime.

If you need a part for your Classic Chevy, Gene probably has one somewhere, the only problem is getting him to remember where he put it.

Gene and Wilma are both super people and I know everybody is glad they're in our club.

BAXTER SPRINGS, KANSAS, FUN RUN

Baxter Springs, Kansas, was the site for the Traditionals Car Club's first annual fun run. The Traditionals are a fairly new club based in Joplin, Missouri and the surrounding area. For their first run, held September 8th and 9th, they decided to invite both street rods and pre-59 street machines, which resulted in a much larger run entrywise.

Quite a caravan of classics rolled out of Springfield Saturday morning, headed West down I-44. Wendell and Jan Royster, Gene and Wilma Wright, Larry and Anna Robertson, Bud Jones, Bill Huyatt, Dave Marek, Sharlet Leppert, Claude and Karen Roderique, and Derald and Myrtle St. John all had their classics looking good and received several comments over the C.B. radio during the short trip to Baxter Springs. Charlie and Helen Hurley and Avery and Karen Bradley also made the trip, coming down later in the day.

Following registration and setting up camp, for those who were staying overnight, a trip was made into town for "refreshments" in preparation for the long afternoon of games and activities, and the '50's Dance to be held Saturday night. One of the biggest highlights of the afternoon was an unscheduled event. It all started with a challenge from the Rods and Relics of Springfield to a Tug-o-war with the Classic Chevy Members.

The challenge was accepted by us, even though several members of the club had already left for home. Avery and Karen Bradley drove up just in the nick of time and Avery was drafted as anchor man for our side. We were then informed by the Rods and Relics that we shouldn't feel bad if we lost, as they were seldom ever beaten in a tug-o-war. The boundaries were laid out, someone shouted "go", and we proceeded to drag them all over the park. Then the ladies had their turn at opposite ends of the rope, and all I can say is "Ladies, you were much better looking than the other team, but your technique needs a little work."

Following a really good outdoor dance Saturday night, we all turned in for what seemed like an awfully short night's sleep. On Sunday morning the host club served coffee and doughnuts and Orange juice for breakfast, then passed out the game prizes, door prizes, and gave away the Trophy for people's choice, won by Tommy Lawson of the Rods and Relics. We then packed up all the tents and trailers and after a short detour to a swap meet in Carthage, Mo., headed home from a very enjoyable weekend.

THE SKATING PARTY

Several members of the Springfield Classic Chevy Club were rolling on a different set of wheels Sunday evening, September 23rd. The wheels were attached to roller skates and the occasion was our annual skating party. Most of the Club families and several guests attended, and for those of you who missed it, you missed quite a show.

There are some very talented skaters in the club, and then there are some who are like me, who spend more time getting up off the floor than skating. There were also some of us who found out just how far out of shape we really are. There were also several humorous incidents, including Larry Robertson and Derald St. John skating together during the couples only portion, or watching the various techniques during the relay race. The highlight had to be the Bunny Hop, which I think should have been filmed and entered in the comedy hall of fame.

The best part of it all though, was the fact that everyone had a good time, both the kids and the adults, and aside from several bumps and bruises, there was no lasting damage done, either to the club members or to the Skateland floor and walls.

The following members dues are do, if they are not paid before or the day of the October meeting you will be dropped from the membership list. If you can't attend the meeting please mail your dues to Dorcas Sears, 104 N. 8th St., Ozark, Missouri 65721.

ROCKING CHAIR RESTAURANT CRUISE

When: May 8th 2021
Time: 9:30 a.m. (This is leave time. Please be there 10 minutes earlier)
Location: Meet in the Price Cutter parking lot
3260 E. Battlefield Rd.
Springfield, MO

Everyone is invited to the cruise through Amish country to the Rocking Chair Restaurant in Conway. For those of you who were on the cruise last year you know how good the buffet is at the Rocking Chair. The cost is \$10.99 per person and includes dessert.

We will be taking a different route this year. The cruise to the restaurant will be about 75 miles. We will cruise on the 60 Highway to Seymour where we will make a brief pit stop at Casey's. From there we will take back roads through Amish country to the restaurant. The return trip will be via the freeway which is 38 miles for a round trip of 113 miles.

This will be a rain or shine event so bring your classics if weather permits and daily drivers if Mother Nature is in a foul mood that day.

Rockbridge Trout Farm Cruise-In – June 26, 2021

WHAT: Cruise to Rockbridge Trout Farm Restaurant

WHEN: June 26th, 2021

WHERE: Meet at the Walmart in Ozark

9:30 a.m. (This is leave time, please be there 10 minutes prior.)

Back by popular demand is our cruise to the Rockbridge Trout Farm Restaurant. We will leave from the Walmart parking lot in Ozark and cruise to Ava where we will have a 20 minute pit stop at the Signal gas station.

After our pit stop we will continue on to Rockbridge and arrive at approximately 12 noon for lunch. The restaurant is known for the trout they feature on their menu along with many other great selections. The onion rings are a show stopper by themselves! Be sure and save room for one of the desserts which are also impressive and delicious.

As those of you who have made this trip in the past know the scenery around the Trout Farm is beautiful and we will have time to enjoy it before and/or after our lunch.

On our return trip we will take a different route home for part of the way. The return route takes us back through Ava. Some of you may choose to make a pit stop in Ava on the return trip but this will not be a group stop.

The trip to Rockbridge is about 63 miles and the return route is about 65 miles back to the US 65 in Ozark.

Club Picnic Republic Recreation Center – July 10, 2021

WHAT: CLASSIC CHEVY CLUB ANNUAL PICNIC

WHEN: JULY 10, 2021 – NOON

WHERE: REPUBLIC PARKS & RECREATION PAVILION

711 E. MILLER ROAD, REPUBLIC, MO 65738

Directions: From Springfield take Sunshine St. west. It becomes US 60. Once in Republic turn left on Hines St. (Walmart will be on your left shortly before Hines St.) Turn right on Lynn Avenue which is just past Walgreens. Go one mile and turn right on Miller Rd. You will see the Rec Center on the right. The picnic pavilion is on the west side of the complex.

Please sign up to bring your favorite dish. The Club has sufficient funds this year to provide fried chicken, bottled water, plates, napkins and utensils in addition to the rental cost of the pavilion.

We will not have dedicated parking due to the busy nature of the Rec Center this time of year. For this reason it is recommended to bring your daily driver.

Note: Limited parking is available very close to the Pavilion with additional parking surrounding the Rec Center. The path to the Pavilion is paved. There are restrooms available in the Rec Center.

Clever High School Car Show – August 28, 2021

15th Annual

~~August 29, 2020~~

Hello Show Enthusiast:

Due to the COVID-19 pandemic, we were not able to have what would have been our 15th annual car show last year. So this year we are going to try again! The **15th Annual** Clever Bands Car & Truck Show is now scheduled for **Saturday, August 28, 2021**. This will help the band kickoff what expects to be a great year!

August 28, 2021

We look forward to a bigger and better year than ever before and we could not do it without your support. We were thrilled to have over 150 vehicles that pre-registered for the previous show, even with a horrible weather forecast. 70+ cities from 3 different states were represented at the show with a wide variety of nice vehicles. The previous two years averaged 275 participants each year! The show will be held once again at the Clever High School located at 6800 W. State Hwy 14, Clever, MO. 65631.

This is our largest fundraiser for the year with **100% of the proceeds going to the Band Program at Clever R-V Schools to help with the purchase of instruments, travel, music and many other things associated with the program.**

The 1st 200 pre-registered entries will be receiving a free t-shirt, dash plaque & goodie bag. I encourage you to pre-register for the show to save time and money. To be pre-registered, we must either receive your payment via PayPal by August 27th at 5:00pm, or by check and postmarked by August 20th. All pre-registered participants will not have to fill out paperwork on the day of the show. You can pre-register online at www.clevercarshow.com. You can pre-register online with a credit/debit card as well.

Again we have carhops, silent auctions, food trucks, and the Kids Zone. You can go online to www.clevercarshow.com and check out the great items for the silent auction as we get closer to the show time and much more.

Registration will be open at 8:00am with the show hours of 8:00am – 3:00pm. Judging will begin at 9:00am with awards promptly at 3:30pm. We welcome trailers and will have plenty of room to park them. Registration for judging will close at 12:00pm. ***Please help us pass the word along to your clubs and friends. Please let us know if you need extra flyers to pass out to your clubs or area businesses and we will be happy to get those to you. You can also go to the website and print off more! Thank you all for your continued support of these great kids!***

If you have any questions, please contact us and we will get back to you as soon as possible.

Thank you,
Tim Gee
