White Cane Safety Day – October 15, 2022

White Cane Safety Day celebrates blind and visually impaired people's achievements in the United States on October 15 every year. It also reminds people about the how the white cane is an important tool in helping the blind and the visually impaired live with greater independence.

Is White Cane Safety Day a Public Holiday?

Even though White Cane Safety Day falls on Saturday, October 15, 2022, it is a working day. Most businesses follow regular opening hours in United States.

White Cane Safety Day recognizes blind and visually impaired people's achievements and the importance of the white cane.

What Do People Do?

The United States president may issue each year a proclamation calling on people in the United States to observe White Cane Safety Day with appropriate ceremonies and activities. Communities across the nation re-affirm their commitment to improve access to basic services for blind and visually impaired people.

Organizations, such as Lions Clubs International and the National Federation of the Blind, organize promotional activities involving the public as part of a goal to help to increase awareness of the use of the white cane and the laws that govern its use. Activities such as visual displays, walks, meetings, public service announcements, and the distribution of t-shirts reminding people about the day are all part of the day's activities. White Cane Safety Day also reminds people that motor vehicles and pedestrians should yield the right of way to blind or visually impaired people using canes.

Public Life

Although White Cane Safety Day is a national observance in the United States, it is not a federal public holiday.

Background

Many blind and visually impaired people, including famous musicians and writers, have made major positive contributions in the United States. Many have also used a white cane to help them succeed at educational institutions, work environments, and their homes. The first of the state laws regarding the right of blind people to travel independently with the white cane was passed in 1930. It granted blind pedestrians protection and the right-of-way while carrying a white cane.

In 1963, the National Federation of the Blind called upon the governors from every state to proclaim October 15 of each year as White Cane Safety Day. At the time, only a few people achieved enough independence to travel alone on busy highways. The United States Congress, by joint resolution approved on October 6, 1964, designated October 15 of each year as White Cane Safety Day. By 1978, the number of visually impaired people who achieved a lot of independence through the white cane had greatly increased. Promotions on the benefits of the white cane proved to be successful and they are still continuing.

Symbols

The white cane can be perceived by many as a symbol of blindness or visual impairment. White canes are recognized for providing the visually impaired with greater mobility, allowing them to participate more within their communities. Blind and visually impaired people have used canes as mobility tools for centuries, but it was not until after World War I that the white cane was properly introduced. In modern times, there are different varieties of this tool, each serving slightly varied needs.

Ladies' Luncheon – September 24, 2022

The third Classic Chevy Club Ladies Luncheon took place on September 24 at Big Whiskey's on Republic in Springfield. Luncheon was originally schedule for Victoria's Café & Tea Room but closed unceremoniously. The switch to Big Whiskey's proved to be a great choice.

The ladies celebrated members birthdays that were in July, August, and September. (J-A-S)

Participants included Mollie Carter, Beverly Cox, Yvonna Davis, Jean Deason, Judy Herndon, Helen Fortner, Robin Goss, Mary Kuhn, Dana Jennings, JJ Jennings, Carol Jones, Melinda Owen, Mary Partlo, Norma Taube, and Barb Trosper.

The table decorations were beautifully appointed in a fall theme by Norma Taube and her daughter.

The ladies played 50's Music Trivia as they tried to match the Song Title with correct artist. Mary Partlo won the trivia game.

Mary Kuhn won a pumpkin scented candle in a birthday drawing for those born in J-A-S.

Join us (eight classics so far) while we will be showing our classics on November 19-20 at the fairgrounds. See flier in the photo gallery.

We have arranged to show our classics together on the east side of the E-Plex. Larry Fortner, Johnny Cox, Carl Schmachtenberger, Gene Herndon, Mike Jennings, Nile Jones, Dan Kuhn, and Yvonna Davis & Dave Walters are currently registered

CoxHealth Auxiliary Car Show – September 24, 2022

The CoxHealth Auxiliary sponsored a car show on September 24. In the past (before Covid), the auxiliary had demonstrated how to manage a car event. So, I did not expect anything less in 2022.

The show is only one fundraiser led by the Auxiliary, which has existed since 1949. The group of around 1,200 individuals is dedicated to promoting and advancing CoxHealth, its mission, its staff and its programs. It works to raise money for a variety of projects including CoxHealth equipment and products, tuition for nursing students at Cox College, the health system's Child Life program and the C.A.R.E. Mobile.

Today, Auxilians serve in more than 100 areas of our hospitals and clinics, and at community events. They are led by a board of directors who serve in elected and appointed positions.

We had 10 or more cars pre-registered. CoxHealth put our club's name and logo on the back of the T-Shirts and we had reserved parking area. We had 15+ members cars signed up.

CoxHealth had 114 vehicles registered. In contrast, the previous show occurred in 2019 (Covid) where they registered 65 cars.

A CoxHealth employee told me that the car show revenue goal was \$10,000 and they exceeded that amount.

The money raised at this event will to educate and assist patients with Atrial Fibrillation (A-Fib)

Bill Huyett and Mike Jennings won first place trophies in their class.

Show attendees included Steve Bisher, CL Carter, Johnny Cox, Betty & Mike Crabb, Larry & Helen Fortner, Bobby Goss, Bill Huyett, Mike Jennings, Pat Jennings, Dan Kuhn, Jim Meyer, Mary & Dennis Partlo, Brian Prose, Carl

Schmachtenberger, Tom Trosper, Dave Walters, and Yvonna Davis.

Attendees included Judy & Gene Herndon, CL Carter, Johnny Cox, Jeanie & Bill Huyett, Dave Walters & Yvonna Davis, Steve Bisher, Pat Jennings, Bobby Goss, and Carl Schmachtenberger

If I missed someone who was at the cruise-in, let me know and I will publish corrections in November. Photos are available in the photo gallery.

In Memory – Donna Meyer – October 8, 1953 to
September 1, 2022

Donna was born on October 8th 1953 in St. Louis Missouri. She met the love of her life Jim Meyer and they were married on October 5, 1988. She enjoyed classic cars and car shows. Winning many trophies!!!

Donna was a member the Classic Chevy Club of Springfield where she was club secretary.

The family left these sentiments below in their memorial folder for Donna.

Appreciation

“On behalf of our entire family, we wish to express our gratitude for your many kindnesses evidenced in thought and deed, and for your attendance at Donna’s Memorial Mass.”

Library Center Club Meeting Reminders

The Library Center hosts our club meetings through October, 2022. For dates, and times for meetings and dinners, see tables below:

SACC Route 66 Festival – September 10, 2022

Strafford Area Chamber of Commerce (SACC) Car Show was held on September 10 in downtown Strafford as part of the Route 66 Festival.

Saturday’s show was held to support Strafford Project Grad. The overall goal for the project is \$20,000. (The car show was just part of the goal.)

JJ emailed the following information:

“For revenue, we raised altogether with the car show and what the kids were doing a total of approximately \$1980.00. We had over 100 cars, but some just brought cars to just park and see what was going on. They didn't register them for the trophies and they were selling mum's as well. So, they were very pleased with the results. Better than expected for sure”

The Classic Chevy Club was well represented at the show. Attendees included Steve Bisher, CL & Mollie Carter, Beverly & Johnny Cox, Mike & Betty Crabb, Helen & Larry Fortner, Bobby & Robin Goss, Jeanie & Bill Huyett, Mike & JJ Jennings, Dana & Pat Jennings, Nile & Carol Jones, Mary & Dan Kuhn, Charles and Diane Mahaffey, Wade & Gerri Mitchell, Dennis & Mary Partlo, Kathy & Carl Schmachtenberger, Norma & Dennis Taube, Barb & Tom Trosper, Jerry Wallace, Dave Walters, and Yvonna Davis. Guests included Lee & Sandy Baker.

Two awards were garnered by club members: They were Mayor’s Choice – Jeanie & Bill Huyett
Kid’s Choice – Dennis & Mary Partlo

Drawing Winner – One lucky member (Mike Crabb) won a speedway hat.

Many thanks to Mike Jennings for producing the awards that were presented at the show.

We cannot forget the thanks for JJ’s work on the show. Especially securing the covered area for team members.

Mike’s prototype trophy is shown below:

Harmonic Balancer

Yvonna has been working with a local shop to improve her 57 Chevrolet engine performance. She had to buy a harmonic balancer but found out that was no small chore. With the assistance from Wendell Royster and Dan Kuhn along with local auto parts stores and any club member who would listen to her predicament she got it figured out.

I tried to help out but could only find a harmonica balancer.

How to display the United States Flag

Ten Guidelines from VFW

1. The flag should be hoisted briskly and lowered ceremoniously.
2. The flag is never allowed to touch the ground or floor.
3. When hung over a sidewalk on a rope extending from a building to a pole, the union stars are always away from the building.
4. When vertically hung over the center of the street, the flag always has the union stars to the north in an east/west street and to the east in a north/south street.
5. The flag of the United States of America should be at the center and at the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and displayed from staffs.
6. The flag should never be festooned, drawn back, nor up, in folds but always allowed to fall free.
7. The flag should be displayed at half-staff until noon on Memorial Day then raised to the top of the staff.
8. Never fly the flag upside down except as a signal of distress in instances of extreme danger to life or property.
9. The flag is never flown in inclement weather except when using an all-weather flag.
10. The flag can be flown every day from sunrise to sunset and at night if illuminated properly.

**Thoughts & Prayers**

Always keep our great country and our military in your prayers.

The Lord is gracious and merciful; slow to anger and abounding in steadfast love.
