Members are to bring their own equipment for roping off cars from spectators. The club will be selling tickets. Motion was made and seconded to award five plaques to winning participants. Avery Bradley said that Air & Sound will probably be willing to furnish a PA system.

### North Town Mall Show

One more reminder for you on this show. Meet on the west side of the lot between 8:00 A.M. and 8:30 A.M., February 26. We will try to bring extra rope to rope off cars. There will be awards given on peoples choice. The public will vote on the cars. If you have any tickets bring them Saturday. We will set up a main table with posters to let the word out about the 55. If at all possible please make it a point to be there. See you at the Mall.

### Fun Run 83

Okay, here's what we decided for the 3rd Annual Firecracker Run. It will be July 1st and 2nd at Drury Lodge. The blun of the show will all be Saturady the 2nd. With early registration, laid back judging, which means people entering a car will receive a judging sheet with the classes. The entries will pick the car for each class they think is best. Later Saturday will be a cruise. At the dance, awards will be given out. This is the way we are doing it this year so we won't hold people back from going to the Nationals in Chicago. I think this will be a very interesting run. Committees are just now forming so be thinking about what you want to do at the run. If you have any ideas feel free to voice your opinion. The next board meeting on the run will be March 24th, 7:00 P.M. at McDonald's on the Battlefield Mall.

April we will head for School of the Ozarks. The swap meet season will get under way in April. More on this later in the newsletter. Our next regular meeting will be February 27 at 2:00 P.M. at King's Pizza.

### RED BARN

Well for those of you who fought snow and rain to  
make the annual trek to the Red Barn, found good food  
and friendly talk. After the meeting Charlie Hembree  
invited us all over for ice cream and pop.

### CLUB CAR UPDATE

The 55 is alive and well. IT is residing at Kansas  
and Bennett in the old white barn. Each mon. and Wed. nights  
club members are assembling her back to her once beautiful  
state. For you who haven't see her, let me give you a  
little run down. She's light blue and white, she has a  
6 cyl. 3 speed and dark blue interior. New glass in her  
doors and looking better every day. Okay you get the hint.  
We need body's to put her together on mon. and wed. nights  
starting around 6:30 Kansas and Bennett big white barn.  
Wear your work clothed and help put her on the road.

### RUNS AND OUR RUN

Get out the polish and shine up that classic, fun run  
season is upon us. In the next month there is a run every  
weekend. Our run will be July 2nd at Drury Lodge. Ron  
Manley is the Comm. Chairman and a lot of comm. heads are  
already picked. A board meeting will be held April 21 at  
the barn where we will talk about the run and also work  
on the club car. April 24th we will hold our club meeting
